* Per Bylaw 20.6.9.1, a member institution reclassifying to Division II, per Bylaw 20.6.1, shall no longer be eligible to participate in any future Division III championship or receive Division III grant and initiative funding once the institution commences the Division II reclassification process (i.e., start of the first candidacy year).

^ The minimum number of contests as determined by sport-specific championship policy (versus membership standards detailed in NCAA Bylaw 20).

Institutions sponsoring team sports must schedule 70 percent of their competition against Division III in-region opponents to be eligible for championships selection (at-large or automatic qualification); for golf, the requirement is 25 percent and, for tennis, the requirement is 50 percent. For the 2013-14 championship year in the sport of women's rowing, the Championships Committee approved a one-year waiver to the in-region competition requirement such that institutions must conduct 50 percent (versus 70 percent) of their competition against in-region opponents.
