Student-Athlete: By completing the following form, you acknowledge your responsibility to abide by the regulations in NCAA Division II Bylaw 14.7 (outside competition, effects on eligibility).

The student-athlete understands the following:

Bylaw 14.7.1 (outside competition, sports other than basketball): A student-athlete becomes ineligible for intercollegiate competition in his or her sport (other than basketball) if, after enrollment in college and during any year in which the student-athlete is a member of an intercollegiate squad or team, he or she competes or has competed as a member of any outside team in any noncollegiate, amateur competition (e.g., tournament play, exhibition games or other activity) during the institution's intercollegiate season in the sport until eligibility is restored by the NCAA Division II Committee on Student-Athlete Reinstatement.

Bylaw 14.7.3.4 (competition as an individual/not representing an institution): It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team.
