¹ This information should indicate the number of contests <u>completed</u> in the appropriate sport against four-year institutions.

² This information should indicate the approximate number of participants who will be on the roster in the appropriate sport.

³ This information should indicate the number of contests <u>scheduled</u> in the appropriate sport against four-year institutions.

⁴ This information should reflect the number of equivalent full scholarship grants awarded in the appropriate sport to all studentathletes in that sport. This figure should be the total dollar amount of athletics aid and other countable aid (as determined by the institution) divided by the cost of a full grant at the institution. Per NCAA legislation, a full grant consists of tuition, fees, room and board, and books. Documentation must accompany this application that verifies the figures.

This application is made in good faith, with full knowledge and acceptance of the "Conditions and Obligations of NCAA membership."
