DEFINITIONS

Contact

A contact is any face-to-face encounter between a prospect or the prospect's relatives or legal guardian(s) and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., positions himself/herself in a location where contact is possible) or that takes place on the grounds of the prospect's educational institution or at the site of organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospect or the prospect's relatives or legal guardian(s) at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter.

Evaluation

Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospect, including any visit to a prospect's educational institution (during which no contact occurs) or the observation of a prospect participating in any practice or competition at any site.

Prospective Student-Athlete

A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete, if the institution provides such an individual (or the individual's relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever occurs earlier):

- The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution's regular academic year (excluding summer); or
- The individual participates in a regular-squad practice or competition at a four-year collegiate institution.
