## Introduction

During the 2009-10 academic year, the Association will sponsor 88 national championships, of which 41 are for men, 44 are for women, and three are for both men and women. Among the men's championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 13 are Division III championships. Among the women's championships, four are National Collegiate Championships, 13 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men's and women's championships are National Collegiate Championships.

A championships handbook is produced for each NCAA championship and posted on the NCAA Online Web site ([www.ncaa.org](http://www.ncaa.org)).

**How to Use This Publication.** The handbook is divided into four sections: (1) General Administration; (2) Determination of Competing Institutions; (3) Instructions to Participants; and (4) General Championship Information. The first three sections pertain only to the respective sport, while the fourth deals with NCAA policies applicable to all 88 championships. [Note: Some policies listed in the General Section have been revised by individual sports committees. The revision(s) will appear in the sport-specific section of the handbook.]

Each topic included in the handbook is referenced to other applicable areas in the handbook or in the NCAA Manual, where appropriate. For example, if you wish to know about regional advisory committees, the basic information for that particular sport would be included in an appendix. However, as referenced under the heading "Regional Advisory Committees," more information concerning general NCAA policy governing regional advisory committees can be found later in the handbook and in the NCAA Manual.

## General Administration

### Dates and Sites

*[Reference: Bylaw 31.1.3 in the NCAA Manual.]*

Dates and sites for the finals and regional tournaments are determined by the NCAA Division II Baseball Committee, subject to the approval of the NCAA Division II Championships Committee.

Ordinarily, all regional tournaments will be located on or near the campus of one of the competing institutions; however, a regional tournament may be scheduled at a neutral site provided advance approval is obtained from the baseball committee.

### 2010

*Regionals*—May 13-17, on- and off-campus sites.

*Finals*—May 22-29, USA Baseball National Training Complex; Mount Olive College and Town of Cary, North Carolina, co-hosts.

### Future Dates

In 2011, the championship dates are May 19-23 (regionals) and May 28-June 2 (finals).

### Site Selection Criteria

*[Reference: Site Selection in the Division II General Section and Bylaw 31.1.3 in the NCAA Manual.]*

The top-seeded team, as determined by the baseball committee, shall be provided the opportunity to host the regional competition, provided that team meets the criteria listed below. If the top-seeded team does not meet the criteria or elects not to host, the opportunity to host would then go to the next highest-seeded team.

### Regional Site Criteria

- a. Quality and availability of the facility and other necessary accommodations.
- b. Crowd control and behavior of the prospective host.

The following additional criteria have been approved:

- a. The facility must be enclosed so admission can be charged and provide for sufficient spectator seating.
- b. The host must have adequate field preparation resources available (e.g., tarp, drying agents, personnel) to maximize play of the field in case of inclement weather.
- c. There must be a covered area for the working media and game operations personnel.
- d. The host must provide protective screens for each team during practices and games.
- e. Weather permitting, at least one practice session, maximum of 50 minutes, must be available to each team on the competition field the day before the first day of competition.
- f. Six hotel rooms shall be reserved for the umpires at a property separate from the team properties.

- g. If teams are housed in separate properties, the host must negotiate comparable room rates at each property.
- h. A minimum of 16 rooms shall be reserved for each of the participating teams. If teams are housed in separate properties, teams will be assigned according to a random draw.
- i. All housing must be located within 30 miles from the site of competition.

Facilities must have ample field lighting in order to be considered to host regional competition.

The host institution must guarantee 75 percent of its estimated net receipts as submitted on the proposed budget.

## Annual Forms

**Online Score-Reporting Form.** Division II institutions eligible for the championship must submit game-by-game results and updated statistical information during the regular season via the NCAA Web site ([www.ncaa.org](http://www.ncaa.org)). Hard copies of the form will no longer be distributed or accepted by the baseball committee. Submissions are due January 13, April 5, 12, 19, 26, May 3 and 7. Failure to submit scores and updated statistical information will diminish an institution's chances of being selected. Institutions that fail to properly report their initial team schedules or subsequently do

not submit their weekly scores by the established deadlines may be fined \$100 per occurrence. Information regarding the online submission process was sent from the NCAA national office in December.

**Team Roster.** A team roster form will be sent to all participating teams before the competition. The form must be submitted during the precompetition meetings and list all 24 players and auxiliary personnel.

**Proposed Budget/Facility Evaluation Form.** Information on these forms is used by the committee to select regional sites.

Information related to these forms will be sent to the directors of athletics of Division II institutions and must be submitted to the national office by the following dates:

| Mailed from NCAA | Due Date |
|------------------|----------|
| April 15         | April 27 |

**Expense Reimbursement Form.** Please refer to the NCAA Travel policies for all information regarding transportation and per diem expenses. Travel policies are located on the NCAA Web site at <http://www.ncaa.org/wps/ncaa?ContentID=1952>.

Teams and/or individuals should provide themselves sufficient money to meet all expenses throughout the tournament, including ground transportation, lodging and meal expenses, and other miscellaneous expenses.

*[Reference: Official Traveling Party (page 22), Per Diem and Transportation in the Division II General Section and Bylaw 31.4.6 in the NCAA Manual.]*

**Financial Report.** A financial report, which is part of the proposed budget, from each championship site must be submitted to the NCAA via the online system not later than 60 days after the conclusion of the competition. As part of the online process, statement of expense forms and lodging receipts for NCAA representatives and officials no longer need to be submitted to the national office. However, these documents shall be kept on file by the host institution in the event an audit is conducted. NCAA representatives' and officials' expenses must be included on the online financial report under "unbudgeted disbursements." Failure to submit the report within 60 days will result in financial penalties. The online proposed budget and financial report is available on the NCAA Web site at [www.ncaa.org/champadmin/champ\\_budget/](http://www.ncaa.org/champadmin/champ_budget/).

*[Reference: Bylaw 31.4 in the NCAA Division II Manual.]*

## Championships Policy Related to Sports Wagering

No predetermined or non-predetermined session of an NCAA championship may be conducted in a state with legal wagering that is based on single-game betting on the outcome of any event (i.e., high school, college or professional) in a sport in which the NCAA conducts a championship.

# Determination of Competing Institutions

## Championship Structure

The Division II championship provides for a maximum field of 48 teams. Nineteen teams have been granted automatic qualification privileges. The remaining teams will be selected at large by the baseball committee.

The championship provides for eight regional sites - **six sites will host six teams, one site (West) will host four teams and one site (South) will host eight teams.** All regionals shall be double-elimination tournaments (Appendix B).

Winners of the eight regional tournaments will qualify for the double-elimination championship series (Appendix A).

## Automatic Qualifying Conferences

*[Reference: Bylaws 31.3.4 and 31.3.5 in the NCAA Division II Manual.]*

The following conferences shall automatically qualify their conference champions for the 2010 championship:

California Collegiate Athletic Association  
 Central Atlantic Collegiate Conference  
 Conference Carolinas  
 East Coast Conference  
 Great Lakes Intercollegiate Athletic Conference  
 Great Lakes Valley Conference  
 Gulf South Conference  
 Heartland Conference  
 Lone Star Conference  
 Mid-America Intercollegiate Athletics Association  
 Northeast-10 Conference  
 Northern Sun Intercollegiate Conference  
 Peach Belt Conference  
 Pennsylvania State Athletic Conference  
 Rocky Mountain Athletic Conference  
 South Atlantic Conference  
 Southern Intercollegiate Athletic Conference  
 Sunshine State Conference  
 West Virginia Intercollegiate Athletic Conference

## At-Large Selection

*[Reference: Annual Forms (page 8) in this handbook and Bylaw 31.01.2, 31.01.3, 31.02.4 and 31.3 in the NCAA Manual.]*

In considering teams for selection at large, the committee will place special emphasis on games played within each team's geographical region.

## Selection Criteria

To be considered during the at-large selection process, a team must:

- Have an overall Division II won-lost-record of .500 or better.
- Compete in at least 24 contests (if extenuating circumstances prevent an institution from meeting this requirement, the institution may request a waiver from the NCAA Division II Baseball Committee).

### NCAA Bylaw 31.3.3.1 – Countable Competition

For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see NCAA Constitution 3.2.4.4) of United States four-year, degree-granting institution. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

## Selection Criteria

The following criteria as outlined in Bylaw 31.3.3 of the NCAA Division II Manual shall be employed by a governing sports committee in selecting participants for NCAA championships competition:

- Won-lost record;
- Strength of schedule;
- Availability of student-athletes for NCAA championships; and
- Nullification.

In addition to Bylaw 31.3.3, the Division II Baseball Committee has received approval from the NCAA Division II Championship Committee to consider the following criteria in the selection of at-large teams for the Division II Baseball Championship (not necessarily in priority order):

### Primary Criteria

- Overall Division II won-lost results;
- Overall Division II strength of schedule (opponents' average winning percentage and opponents' opponents' average winning percentage);
- In-region Division II won-lost results;
- In-region Division II strength of schedule (opponents' average winning percentage and opponents' opponents' average winning percentage);
- Head-to-head competition (minimum of two contests);
- Results versus common opponents;
- Results against Division II teams .500 or better;
- Results against Division II teams out of conference .500 or better;
- Road results;
- Regular season conference standing; and
- Results versus teams ranked in the previous regional ranking.

### Tie Breaking Criteria

If the evaluation of the primary criteria does not result in a decision, the secondary criteria will be reviewed. The criteria listed will be evaluated in priority order.

1. Head-to-head competition (minimum of two contests); and
2. Results versus common opponents.

Additionally, input is provided by regional advisory committees for consideration by the Division II Baseball Committee. The Division II Baseball Committee must contact a regional advisory committee prior to making its final selection of teams or individuals if its selection of teams differs from the recommendation put forth by the regional advisory committee. Coaches' polls and/or any other outside polls or rankings are not used as selection criteria by the Division II baseball committee for selection purposes.

**Regular-Season Contests.** At the time the game is scheduled, both teams shall agree as to whether the game is to be counted for purposes of won-lost records and team and individual statistics. A game will be counted by both teams as an official contest unless both teams agree in writing before the game that it is to be an exhibition contest. If it is an exhibition contest, the team and the individual statistics and records cannot be counted for either team. In any event, the contest or exhibition remains countable as a contest for the purpose of Bylaws 17.2.7.1 and 17.02.3. Further, all games must be of regulation length. (See Rule 5-8 of the 2009-2010 NCAA Baseball Rules book.) All varsity games played between four-year degree-granting institutions in the traditional season must be counted for purposes of won-lost record and team/individual statistics.

Coaches should be aware of the application of Bylaw 14.2.4.1 (minimum amount of competition). Any participation by a student-athlete against outside competition, however limited, shall constitute a season of competition.

No games played during the fall will be included in a team's won-lost record and statistics, except for schools located in Puerto Rico (Bylaw 17.2.5.1).

### Game Scheduling Procedures

The procedures outlined below shall be used in the conduct of the regional competitions. All regionals will begin Thursday, May 13, and will be conducted over a four-day or five-day period as outlined in Appendix B. Except for reason of inclement weather, the formats listed below may not be altered unless prior approval is granted by the baseball committee. If inclement weather is involved, **the last possible time a regional championship game will be permitted to start is 7:30 p.m. local time Monday, May 17 (for four- and six-team regionals; and Tuesday, May 18, 7:30 p.m. local time for the eight-team South regional.** If a regional cannot be completed, refer to the criteria for determining which team will advance to the championship (see Pages 17 and 18, Length of Game—Halted-Game Rule). Prospective host institutions must submit recommended dates and starting times for all games within the proposed budget material for approval by the committee.

For additional information regarding the regional bracket, please refer to Appendix B.

In the four-team regional tournament, Games 1 and 2 will be played on the first day; Games 3 and 4 will be played on the second day; Games 5 and 6 will be played on the third day; and Game 7 will be played on the fourth day.

In all six-team regional tournaments, Games 1, 2 and 3 will be played on the first day; Games 4, 5 and 6 will be played on the second day; Games 7, 8 and 9 will be played on the third day, and Games 10 and 11 will be played on the fourth day.

In the eight-team regional tournament, Games 1, 2, 3 and 4 will be played on the first day; Games 5, 6, 7 and 8 will be played on the second day; Games 9, 10 and 11 will be played on the third day; Games 12 and 13 will be played on the fourth day; and Games 14 and 15 will be played on the fifth day.

**During the first day of competition, only the host institution for a regional competition (not the No. 1 seed) may schedule its game at any of the three established starting times;** however, the game it replaces shall be played at the time originally scheduled for the host team. It should be noted that the pairings in the bracket may not be altered and the game times during the remainder of the tournament may not be adjusted.

**Championship Finals.** The eight winners of the regional competition will advance to the championship finals. The Division II baseball committee will finalize pairings and game times during a teleconference, Monday, May 17.

Four teams will be placed in one bracket and four teams will be placed in the other. Teams are paired yearly on a rotating basis. The two bracket winners will play a single game to determine the national champion Saturday, May 29.

The finals bracket is located in Appendix A.

### Certification of Eligibility/Availability

*[Reference: Certification of Eligibility/Availability in the Division II General Section and Bylaws 3.2.4, 12, 13, 14, 15 and 16 in the NCAA Division II Manual.]*

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. In accordance with Bylaw 3.2.4, member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition. Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championships competition.

**Nullification.** A contest shall be nullified when a team has played an ineligible student-athlete. The enforcement staff will notify the championships staff when a violation has occurred and the respective sports committee shall impose the appropriate nullification penalty. Nullifications will be assessed to each contest in which the ineligible student-athlete participated. The nullification penalties will be assessed to the won-lost percentages and the strength-of-schedule (overall and in-region). The penalties for using an ineligible student-athlete during the 2009-10 season are as follows:

| Overall W/L<br>Percentage | DII W/L<br>Percentage | DII Avg Opp<br>W/L % | DII Avg Opp/<br>Opp W/L % | In-Region<br>W/L % |
|---------------------------|-----------------------|----------------------|---------------------------|--------------------|
| TBD                       | TBD                   | TBD                  | TBD                       | TBD                |

These penalties are applied to each game in which the ineligible student-athlete competed. This penalty is per student-athlete, per contest. If two student-athletes on a team were ineligible, multiply the penalty times two. The penalty would not be applied every week, but only at the end of the regular season (final ranking).

For the baseball championship, the championship manager must be notified before Friday, May 7.

The most outstanding player(s) will be selected from among these players.

## Attendance

Please note that in determining the attendance figures to announce for each session of the championship, this number should be derived based on paid attendance. The paid attendance figures are also what should be listed on the online proposed budget and the online final financial report. If no paid attendance is collected, the host institution/conference should provide an estimated attendance figure. The host institution/conference has the option to provide a “turnstile” count [e.g., 4,575 paid attendance (2,456 turnstile attendance)].

## Audio Coverage (Radio and Internet)

[Reference: Radio (see pages in sports-specific handbooks).]

Please refer to the NCAA Broadcast Manual policies and guidelines at <http://www.ncaa.org/wps/ncaa?ContentID=38007>.

## Awards

[Reference: Awards in the Division II General Section and Bylaws 31.1.10 in the NCAA Manual.]

The eight teams that compete in the Division II finals will receive regional team trophies at the site of the regional, and individual awards for the 30 members of each traveling party at the finals site. The national champion will receive an additional team trophy at the finals site. Participation awards will be presented to a maximum of 24 (i.e., squad size) student-athletes involved in regional competition of the championship. These awards will be sent to the regional tournament directors to be distributed to the non-advancing teams at the conclusion of the competition. Institutions have the option to purchase additional awards.

## Baseballs

The Rawlings RINCAA baseball has been selected as the official baseball for all games in the three National Collegiate Championship tournaments.

The appropriate number of balls will be sent to all tournaments. The balls will be shipped from the manufacturer to the director of athletics or tournament director at the host institution.

Each team must furnish its own practice balls.

## Box Scores

Official NCAA box score forms will be provided by the NCAA national office and shall be the only form used at any tournament site. Statistical software that produces an official NCAA box score may also be used.

Host institutions also are responsible for reporting results to the Association's Web site, [www.ncaa.com](http://www.ncaa.com). E-mail results (including box scores, if possible) to [updates@ncaasports.com](mailto:updates@ncaasports.com).

## Credentials

A total of 34 credentials can be issued to participating teams. Thirty credentials will be provided to each participating team, and an additional four credentials may be purchased for authorized institutional personnel (e.g., director of athletics, senior woman administrator, faculty athletics representative, president, etc.) at the request of the institution.

## Determination of Home Team

For first-round games during championship competition when teams are seeded, the highest-seeded team shall be designated as the home team. If there are no seeds, the home team shall be determined by lot. For the Division II finals, first-round pairings, including the home team, are listed in Appendix E. In subsequent games, the home team shall be determined according to a formula applied by the games committee.

In determining which of two teams in any game will be the home team, the games committee or the committee representative shall designate the home team using the following guidelines (except "if-necessary" games\*):

1. The institution that has been the home team the fewer number of times in that particular tournament.
2. If the two teams are equal in this respect but unequal in the number of times they were the visitor, then the team that has been the visitor more often will be designated the home team.
3. If the two teams are equal in the number of times that they have been home and visitor, the games committee or the committee representative shall observe the following procedures in the order stated:
  - a. If the two teams have met previously in that particular tournament, the visitor in the previous game shall be the home team in the game in question (Exception: In a two-team tournament where both teams have been the home team twice, the fifth game will be determined by lot);
  - b. The team that was visitor in its preceding game shall be the home team, unless both teams were visitors in their preceding games; or
  - c. If the above procedures do not resolve the matter, the home team shall be determined by lot.

\* In an "if-necessary" game, the teams will reverse home and away designation regardless of the above guidelines, but remain in the same dugout and same uniforms.

**The home team shall occupy the third-base dugout, take infield practice first and wear white or light colored uniforms.** The visiting team must wear a uniform of contrasting color. The games committee in conjunction with the NCAA championship

manager will resolve any conflict in the selection of uniforms. All decisions are final and assignments of uniform color are mandatory.

For the national championship game only, if one of the teams is undefeated, it will be designated as the home team. If both teams are undefeated or have one loss, the home team will be determined by lot.

## Drug Testing

[Reference: *Drug Testing in the Division II General Section and Bylaws 18.4.1.5 and 31.2.3 in the NCAA Manual.*]

Student-athletes who compete in this championship may be subject to drug tests in accordance with Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are eligible initially for this championship; and, thereafter, student-athletes who are tested shall remain eligible only if they test negative.

Teams should be aware that drug-testing procedures may affect team travel arrangements.

## Institutional Fight Songs

If an institutional fight song is played before the start of a tournament game, it must occur during that institution's infield practice or during the time allotted for pregame preparation of the field.

## Instructions to Teams

An instruction sheet setting forth the pertinent information contained herein and containing specific information as to regional plans will be sent immediately after qualification or selection by each tournament manager to teams competing in the particular tournament for which he or she is responsible.

## Length of Game—Halted-Game Rule

All games shall be nine innings. If play has been stopped before nine innings have been completed, the halted-game rule (Rule 5-9) shall be used. [Note: The 10-Run Rule—Rule 5-8-b-(4)—shall not be used for regionals.]

In Division II, the games committee will make the decision as to when a game will be started, suspended, restarted or declared completed. If a regional cannot be completed, a team will advance to the final based on the following:

### Lodging

For regional competition, tournament managers will make local reservations for the competing teams and advise them of the arrangements. All hotels used for team lodging should be of comparable quality.

Hotel reservations for the eight teams in the Division II finals will be made at properties in the city of the final site. Each team must finalize and confirm these arrangements by Monday, May 17.

If an institution does not wish to stay at the designated hotel, it must obtain a written release of the reserved rooms from the hotel management or use the rooms for persons accompanying the official party. Failure to make satisfactory arrangements will result in the room charges being deducted from the team's per diem.

### Media Arrangements

*[Reference: Publicity and Promotion in this handbook.]*

**Media Credentials.** The NCAA shall control the issuance of media credentials for each of its championships. Subject to limitations of space, media credentials shall be assigned in accordance with the following priorities: (1) campus media certified by the director of athletics and/or sports information director of each participating and host institution, (2) certified media from the immediate locale of the championship or the immediate locale of the competing teams, and (3) other certified media. It may be necessary for host institutions to create auxiliary media seating outside the permanent press box area.

Credentials for regional competition will be issued by the host sports information director.

Credentials will not be issued to representatives of any organization that regularly publishes, broadcasts or otherwise promotes the advertising of "tout sheets" or "tip sheets" or other advertising designed to encourage gambling on college sports events. In addition, credentials will not be issued to representatives of telephone reporting services and professional sports organizations.

Other conditions for obtaining media credentials may be implemented, based on the circumstances at the championship site. These conditions must be approved before the competition by the media coordinator in conjunction with the NCAA.

**Microphones.** The placement of microphones on a team coach or in team huddles and bench areas is prohibited at all NCAA championships.

**In-Game Interviews.** Any television rights holder wishing to conduct in-game interviews during televised games must receive prior approval from the baseball committee. Further, head coaches have the option of declining in-game interviews.

**Postcompetition Interviews.** Host institutions are required to provide an interview area large enough to meet the media's needs. Immediately after a 10-minute cooling-off period (i.e., 10 minutes after a competing team enters its dressing room), an interview area will open to all certified members of the news media; any coach and student-athletes requested by the media will be available for interviews. If a team or individual is participating in an awards ceremony, the cooling-off period will begin immediately after the presentation.

Regardless of any regular-season radio or television contract(s), the coach is obligated to the entire covering media during the championship and must report to the interview room immediately after the 10-minute cooling-off period. The coach cannot delay a postcompetition interview with the covering media to conduct a program for a single newspaper, radio or television reporter, unless requested to remain for a short interview (not to exceed four minutes) by the television entity that has been granted television rights by the NCAA.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period. They may, however, open their dressing rooms and/or report to the interview area before the cooling-off period ends, and make themselves available to all media representatives staffing the championship.

Should a coach permit one media agency to enter the dressing room before the 10-minute cooling-off period has ended, the dressing room shall be opened to all other media representatives desiring access to the area. The NCAA championships have an “open locker room policy,” which is administered by the media coordinator on site.

Coaches and student-athletes who have been requested for postgame interviews by the media may not conduct interviews prior to the official postgame press conference. Individuals who have not been requested by the media may conduct interviews outside the main press conference after the 10-minute cooling-off period.

## Meetings

*[Reference: Misconduct in the Division II General Section and Bylaws 31.02.3, 31.1.8 in the NCAA Manual.]*

A meeting of the coaches of the competing teams, umpires and members of the games committee will be held before the beginning of the tournament to determine home and visiting teams, review ground rules, and dispense with any problems that may arise. Head coaches and administrators without game responsibilities must attend this meeting.

At the pretournament meeting, the chair of the games committee shall acquaint the head coaches of the competing teams with the provisions of Bylaw 31.1.8.3 as explained on pages 15 and 16 of the Division II General Section, governing misconduct by student-athletes and/or representatives of competing institutions. Each institution shall note in writing on its postseason roster any player who has been suspended and the cause of the suspension (e.g., games penalized).

## Merchandise

Teams selected to participate in NCAA championships will be given the opportunity to preorder regional event merchandise online through the official NCAA souvenir merchandiser, Event 1, Inc. On selection, teams will be given the information to place orders. These team orders will be shipped directly to the institution the week after regional competition. Questions regarding the online team ordering process may be directed to Gina Taylor at Event 1 at 888/745-3058.

## Misconduct

Misconduct means any act of dishonesty, unsportsmanlike conduct in practice or competition, or breach of law that discredits the championships.

Remind each institution that public criticism of officials may subject the individual, institution or conference to the misconduct provisions.

Committee or games committee is authorized to (a) reprimand publicly or privately; (b) disqualify from future participation; and/or (c) ban from subsequent competition a student-athlete or representative of the institution who is guilty of misconduct at any time during the championship.

## National Anthem

The host institution or agency will determine when the national anthem will be played.

## News, Media, Press Conferences and Satellite Feeds

Please refer to the NCAA Broadcast Manual policies and guidelines at <http://www.ncaa.org/wps/ncaa?ContentID=38007>.

## Online Score Reporting Process

The committees will use the online score reporting system in the selection process. These forms must be completed and submitted online.

Please follow the steps below to access the online score reporting system on the NCAA Web site:

1. Connect to the Internet and go to [www.ncaa.org](http://www.ncaa.org).
2. Select Sports from the menu bar on the left-hand side, then Baseball.
3. Under Championship Information, select Division II.
4. Under Division II, select Online Score Reporting Form.
5. Enter your username and password (on file with your director of athletics).

Your institution is required to enter your team’s schedule on your initial score reporting system by Wednesday, January 13. Subsequently, weekly reports must be submitted by 3 p.m. Eastern time each of the following dates: April 5, 12, 19 and 26, and May 3 and 7. The national committee will conduct its weekly review/rankings on the following dates: April 14, 21, 28 and May 5.

Scores for the final weekend of the season will be entered by the national committee members.

Please note that while the committees conduct their regional and national ranking calls during the season, the online score reporting forms are made unavailable each Monday at 3 p.m. Eastern time. The forms will be available again Wednesday afternoons at 3 p.m. Eastern time.

Failure to submit scores and updated statistical information will diminish an institution’s chances of being selected. Institutions that fail to properly report their initial team schedules or subsequently do not submit their weekly scores by the established deadlines may be fined \$100 per occurrence.

If you have any questions regarding this process, please contact Russ Yurk at 317/917-6222.

## Official Scorer

The official scorer for each game shall be appointed by the tournament director, and his or her duties shall be as outlined in the 2009-2010 NCAA Baseball Rules. The official scorer will receive \$20 per game.

It is recommended that the Official NCAA Baseball Scorebook be used for all tournament games.

## Official Traveling Party

[Reference: Squad Size, Per Diem and Transportation in the Division II General Section.]

The official traveling party for the Division II Baseball Championship is 30 persons.

## Practice

If possible, all teams should take batting practice on the game field. All teams should be accorded practice facilities of equal quality beginning with the day immediately before the tournament and during the tournament. Between games of double-headers, each team will be permitted eight minutes for infield practice.

For the Division II championship, pretournament practice times at the USA Baseball National Training Complex shall be assigned as follows:

### Friday, May 21

|                       |                      |
|-----------------------|----------------------|
| 9-9:45 a.m.           | Home Team—Game 1     |
| 9:55-10:40 a.m.       | Visiting Team—Game 1 |
| 10:50-11:35 a.m.      | Home Team—Game 2     |
| 11:45 a.m.-12:30 p.m. | Visiting Team—Game 2 |
| 12:40-1:25 p.m.       | Home Team—Game 3     |
| 1:35-2:20 p.m.        | Visiting Team—Game 3 |
| 2:30-3:15 p.m.        | Home Team—Game 4     |
| 3:25-4:10 p.m.        | Visiting Team—Game 4 |

Additional practice time at alternate practice facilities may be reserved. The pretournament practices are open to the media and public.

## Pregame Schedule

The following pregame schedule shall be followed for all regional and championship final games:

|                       | Before Game |
|-----------------------|-------------|
| Home infield          | :40-:32     |
| Visitor infield       | :32-:24     |
| Field preparation     | :24-:12     |
| Player introduction   | :12-:07     |
| National anthem       | :07-:04     |
| Coaches/umpires meet  | :04-:02     |
| Home team takes field | :02-:00     |
| First pitch           | :00         |

It is recommended that between the last out of the previous game and the start of the next game, a 60-minute period be allowed, which provides for a 20-minute warm-up and field maintenance period before the home team taking infield practice.

## Programs

A \$2 group (10 or more people) ticket price for Division II regionals and finals is permitted. The host may sell a tournament pass, single-game or day ticket.

## Tobacco Products

The use of all tobacco products is prohibited by student-athletes and game personnel (e.g., coaches, umpires, trainers, managers) during practice sessions and game competition. The use of tobacco products during other championship activities, such as banquets, autograph sessions, press conferences and postgame interviews, also is prohibited. Violations of this regulation shall be dealt with by the sports committee in accordance with Rule 3-11 of NCAA Baseball Rules and the misconduct provisions

of Bylaw 31.1.8. The penalty for use of tobacco during an NCAA contest includes the disqualification of the head coach, in addition to disqualifying the offending individual.

## Umpires

For regional tournaments, umpire crews will comprise the following numbers: 4-team regional 5 umpires, 6-team regionals 6 umpires and 8-team regionals 8 umpires. For the Division II championship, six umpires will be selected. Four umpires are assigned to work all tournament contests. One of the assigned umpires will serve as a backup umpire for each game. Six umpires will work the championship game.

The umpires must report to the tournament supervisor one hour before the game they are to work and be on the field 15 minutes before the start of the game.

It is recommended that the host institution for regional and finals competition provide seats for nonworking umpires.

All umpires will be approved by the Division II Baseball Committee. For regional tournaments, the regional advisory chair or his designee will select and assign the umpires. The six umpires for each regional must be located within driving distance (i.e., 500 miles) of the site. Regional umpires will receive mileage of 50 cents per mile and a flat fee according to the following schedule: 4-team regional \$750, 6-team regionals \$850 and 8-team regionals \$925. A \$45 per diem is provided, and all lodging expenses, excluding incidentals, are paid by the host institution.

In the Division II finals, the national committee will select and assign six umpires. Each championship-series umpire shall receive a flat fee of \$1,250, plus per diem, lodging and transportation costs (50 cents per mile).

Umpires selected to work the Division II Baseball Championship must meet the following minimum requirements established by the committee:

1. Minimum of six Division II games worked.
2. Minimum of 25 NCAA games worked.
3. Attendance at NCAA regional clinic preferred every year; mandatory every two years.
4. Test score of at least 80 percent.
5. Minimum of five years of collegiate or higher level experience.

The minimum number of games worked may be waived if extenuating circumstances (e.g., inclement weather) reduces the number of games worked.

## Uniforms

*[Reference: Bylaw 12.5.4 in the NCAA Manual.]*

Once a team enters the stadium/field, it must be in full pregame or regular-game uniform (no shorts permitted). In addition, team representatives must be in appropriate attire, not necessarily in uniform, for all other championship functions (press conferences, banquets, autograph sessions, etc.), which shall include warm-ups, batting practice and infield practice.

For the regionals and finals, teams must be in pregame or regular-game uniform for warm-ups, batting practice, infield practice and competition at the site.

**Logos.** An institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal trademark, not to exceed 2 1/4 square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square or parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restriction.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4 square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies another entity other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes only during the conduct of competition, which includes any pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.

## Appendix F

### Conditions Placed on Media Coverage

Each Individual or entity signing for or using a credential for access to any NCAA championship games practice, press conference, or other in-venue activity associated with the championship (the "Events") and his/her/its employers (each signer, user and employer, a "Bearer") agrees to the following:

#### General

Each Bearer attending one of the Events using a credential represents that such Bearer is acting on a specific assignment for a media agency. Bearer is an accredited agency's full-time salaried employee who has a legitimate working function in connection with the championship. The credential is not transferable and may be revoked at any time without cause.

The rights and privileges granted to Bearer shall automatically terminate if any term of this credential shall be breached. The unauthorized use of this credential subjects the Bearer to ejection from the facility and prosecution for criminal trespass.

While within the venue, Bearer shall, at all times, adhere to the policies in place for the Event, as well as access limitations, and direction provided by the NCAA and its designated agents.

Bearer assumes all risks incidental to the performance by the Bearer of Bearer's services in connection with the Events and assumes all risks incidental to the Events, whether occurring before, during or after the actual playing of the Events, and agrees that the NCAA, its member institutions, and their respective employees, directors, officers, student-athletes, coaches, and contractors shall not be liable for injuries or loss of personal property or equipment resulting in such causes.

In the event that the name or likeness of any individual using this credential is included in any broadcast, telecast, photograph, film, video or other media taken in connection with the Events, such individual grants the NCAA the non-exclusive, transferable, perpetual right and license to use (and to sub-license the use of) such name and likeness in any media worldwide whether now known or thereafter devised.

Bearer agrees to indemnify the NCAA and save harmless the NCAA, its officers, agents, contractors, employees, and each of its member institutions, their officers, agents and employees, of and from any and all claims, demand and causes of action arising out of anything done or purported to have been done by Bearer or his/her employer, including but not limited to Bearer's breach of any term of the credential. With respect to any claim that might give rise to liability of the Bearer as an indemnitor, the NCAA shall: (a) have the right to fully participate in the litigation of such claim with counsel selected by Bearer and approved by the NCAA at the sole expense of the Bearer; and (b) not be obligated, without their consent, to participate in any settlement of such claim.

## Media

The use of any account, description, picture, photograph, video, audio, reproduction, or other information concerning the Events (the "Event Information") other than for news coverage of, or magazines, books or stories about, the Events, or for First Amendment-protected purposes, is prohibited, except (a) with the prior written consent of the NCAA or (b) as specifically licensed herein. Nothing in these terms and conditions authorizes or allows Bearer to violate any of the NCAA trademarks, copyright and other proprietary rights.

Television agencies taping game action shall use the network feed via the video and audio distributing facilities provided by the NCAA. These agencies recognize that any videos may be used only in connection with a regularly scheduled television newscast within a 72-hour period after the game and the film clip or video portion of each such showing shall not exceed three minutes in length and shall adhere to the specific policies that govern the length of video and times that it may be aired. If the event has live-television coverage, television entities may not air highlights of a game until the network's broadcast of that event has been completed. Use of footage on the Internet is limited to 60-seconds of game action for a 24-hour period after the game is completed. .

Television stations, networks, cable systems, participating institutions or their designees, are prohibited from making available game film or video to any other organization without advance written permission from the NCAA, even though the planned use may be editorial in nature. Such film or video may be aired only by the specific station or entity to whom this credential is issued. These rights may not be assigned, transferred or otherwise disposed to any person, firm or corporation. Any agency wishing to use NCAA film or video in any other manner must obtain written permission for such usage from the NCAA.

The credential confers on Bearer a limited, non-exclusive and non-transferable license to take photographs of the Events, and to allow the entity that engaged the Bearer to take the photographs to use such photographs, only for news coverage of, or magazines, or stories about, the Events, other editorial purposes, and reprints of news pages from such entity's publications, provided that such use is not likely to create, or does not actually create confusion in the minds of the trade or public that Bearer or its reprints or any elements therein, or the items on which they are reprinted, are sponsored or endorsed by, or are associated or affiliated with the NCAA or that the NCAA licensed Bearer to use their trademarks or copyrights. Neither the Bearer nor the

entity that engaged the bearer may sell photos taken at the Events to third-party entities including but not limited to other commercial entities or the general public.

In exchange for the access granted by the credential, the NCAA shall have the right to purchase prints of any published photographs taken by the Bearer in connection with the credential, at the best financial terms offered to third parties, and such the NCAA shall be licensed at no additional charge to use the photographs for news coverage purposes only. The NCAA may not distribute reproductions of the photographs to others or license others to reproduce the photographs.

Any secondary use of any picture, audio description, videotape/film or drawing of the game taken or made by the accredited organization or individual to whom this credential has been issued (including, but not limited to, non-editorial, advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the NCAA.
