## Introduction

During the 2009-10 academic year, the Association will sponsor 88 national championships, of which 41 are for men, 44 are for women, and three are for both men and women. Among the men's championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 13 are Division III championships. Among the women's championships, five are National Collegiate Championships, 13 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men's and women's championships are National Collegiate Championships.

A championships handbook is produced for each NCAA championship and posted on the NCAA Online Web site ([www.ncaa.org](http://www.ncaa.org)).

**How to Use This Publication.** The handbook is divided into four sections: (1) General Administration; (2) Determination of Competing Institutions; (3) Instructions to Participants; and (4) General Championship Information. The first three sections pertain only to the respective sport, while the fourth deals with NCAA policies applicable to all 88 championships. [Note: Some policies listed in the general section have been revised by individual sports committees. The revision(s) will appear in the sport-specific section of the handbook.]

Each topic included in the handbook is referenced to other applicable areas in the handbook or in the NCAA Manuals, where appropriate. For example, if you wish to know about regional advisory committees, the basic information for that particular sport would be included in an appendix. However, as referenced under the heading "Regional Advisory Committees," more information concerning general NCAA policy governing regional advisory committees can be found later in the handbook and in the NCAA Manuals.

Conference offices and sports committees shall appoint an advisory committee in each of their respective regions to assist in the evaluation of teams throughout the season. Members of the 2010 regional advisory committees can be found in Appendix D.

### Annual Forms

**Score Reporting Form.** In an effort to streamline the score reporting process, the NCAA Division III Championships Committee uses an online score-reporting process for all institutions sponsoring Division III Baseball. Hard copies of score reporting forms no longer will be disseminated or accepted by the NCAA Division III Baseball Committee.

Your institution is required to enter your team's schedule on your initial online score reporting form. It will be your institution's responsibility to enter all game results, starting with your first game. Updated score reporting forms with the latest results are due by noon the Monday after weekend play to the regional representatives.

The following guidelines and penalties shall be used when an institution does not weekly report their team scores/results for Division III Baseball:

If an institution does not submit their weekly ranking form by noon the Monday after weekend play to their regional representative, a letter from the national committee chair will be sent to the coach, athletics director and conference commissioner informing them of the violation. The coach can call the regional advisory committee representative to explain exigent circumstances.

Thereafter, if the institution misses a week or submits a late ranking form the institution will be fined \$50 for each occurrence.

If the institution does not submit or submits late forms in the last three weeks of the season the institution will be fined \$50 for each occurrence.

*[Reference: Selection of Participants in this handbook.]*

**Team Roster.** A team roster form will be sent to all participating teams before the competition. The form must be submitted during the pre-competition meetings and list

all 24 players and auxiliary personnel, for a total of 34. See Squad Size on page 26 for more information.

**Expense Reimbursement Form.** Expense forms with instructions will be available on the NCAA Web site in the championships administration section ([www.ncaa.org/champadmin](http://www.ncaa.org/champadmin)). Any questions concerning the reimbursement process should be directed to the NCAA travel department (317/917-6757; e-mail: [travel@ncaa.org](mailto:travel@ncaa.org).) Teams and/or individuals should provide themselves sufficient money to meet all expenses throughout the tournament, including ground transportation, lodging and meal expenses, and miscellaneous expenses.

*[Reference: Official Traveling Party, Per Diem and Transportation in the Division III General Section, and Bylaw 31.4.6 in the Division III NCAA Manual.]*

**Financial Report Form.** The NCAA has implemented an online proposed budget and financial report process. We request that prospective hosts no longer complete hard copies of the proposed budget for this championship. The online version of the proposed budget and financial report form may be accessed on the NCAA Web site at [http://www.ncaa.org/champadmin/champ\\_budget/](http://www.ncaa.org/champadmin/champ_budget/). Please note that the online form is password protected. Your institution's athletics director should have the necessary membership database username and password on file. Written instructions on how to complete the automated forms are located at the site referenced above and on each sport specific Web site in the Documents and Forms section.

# Determination of Competing Institutions

## Championship Structure

The championship provides for a maximum field of 55 teams. Eight teams will compete at three first-round sites; seven teams will compete at one first-round site; six teams will compete at four first-round sites. All first rounds will use a double-elimination format. Conference champions shall qualify automatically.

Winners of the eight first-round tournaments will qualify for the double-elimination championship at Appleton, Wisconsin (see Appendix A).

## Selection Information

*[Reference: Annual Forms in this handbook and Bylaws 31.01.2, 31.01.3 and 31.3 in the Division III NCAA Manual.]*

The NCAA baseball committee will follow Bylaw 31.3.3 in selecting at-large participants.

Regular-season conference standings and/or conference postseason competition shall be considered by the committee when selecting at-large teams.

**Regular-Season Contests.** At the time the game is scheduled, both teams shall agree as to whether the game is to be counted for purposes of won-lost records and team and individual statistics. A game will be counted by both teams as an official contest unless both teams agree in writing before the game that it is to be an exhibition contest. If it is an exhibition contest, the team and the individual statistics and records cannot be counted for either team. In any event, the contest or exhibition remains countable as a contest for the purpose of Bylaws 17.4.5.1 and 17.02.3. Further, all games will be of regulation length.

Coaches should be aware of the application of Bylaw 14.2.4.1 (seasons of competition). Any participation by a student-athlete against outside competition, however limited, shall constitute a season of competition.

No games played during the fall will be included in a team's won-lost record and statistics.

**Pool Information.** As required by the selection principles, the following berths have been allocated for the 2010 championship: Pool A-36, Pool B-4, Pool C-15.

The Division III Baseball committee will select teams to the championship based on the following selection principles:

- After the determination of the automatic (Pool A) berths, the committee will determine the Pool B selections followed by the Pool C selections.
- Pool B will comprise independent institutions and institutions that are members of conferences that do not meet the requirements for automatic qualification. Pool C will be reserved for institutions from automatic-qualifying conferences that are not their conference champions and the remaining teams in Pool B. The number

of berths available for Pool B Institutions is determined by dividing the number of institutions eligible in Pool B by the access ratio for Pool A (total number of institutions in conferences with automatic qualification divided by the number of Division III Conferences with automatic qualification. Pool B = (number of independents and non-qualifying conference members) divided by (the access ratio for Pool A) - with the result truncated to the nearest whole number (e.g. 5.61 truncates to 5).

- Berths from Pool B and Pool C will be selected on a national basis, using regional selection criteria. There will be no predetermined regional allocations for Pools B and C.

## Automatic Qualifiers

The 36 conferences granted automatic qualification for the 2010 championship from Pool A are as follows:

### Scheduling Requirements

To be considered during the at-large selection process (Pools B or C), an institution must play at least 50 percent of its competition against Division III in-region opponents, unless a waiver has been approved by the Division III Championships Committee. In-region competition consists of the following:

- All competition within an institutions' defined sports region.
- All competition within an institution's geographical region (Constitution 4.13.1).
- All competition within a 200-mile radius from an institution to another.
- All conference competition.

The NCAA Travel Expense System mileage calculator will be used to confirm distance from campus to campus (<https://web1.ncaa.org/TES/exec/TES/exec/miles>).

Bylaw 31.3.3.1 – Countable Competition.

For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.4) of United States four-year, degree-granting institution. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

### Selection Criteria.

Primary Criteria

The primary criteria emphasize regional competition (all contests leading up to NCAA championships); all criteria listed will be evaluated (not listed in priority order).

- Win-loss percentage against regional opponents.
- Strength-of-schedule (only contests versus regional competition).
  - Opponents' Average Winning Percentage (OWP).
  - Opponents' Opponents' Average Winning Percentage (OOWP).
- See Appendix B for explanation of OWP and OOWP calculations.
- In-region head-to-head competition.
- In-region results versus common regional opponents.
- In-region results versus regionally ranked teams.
  - Ranked opponents are defined as those teams ranked at any time of the rankings/selection process.
  - Conference postseason contests are included.
  - Contests versus provisional and reclassifying members in their third and fourth years shall count in the primary criteria. Provisional and reclassifying members shall remain ineligible for rankings and selection.

Weighted Scale. For a minimum of two championship seasons (2009-10 and 2010-11), a weighted scale will apply. Once the OWP and OOWP are calculated, they are to be combined on a weighted scale (e.g., 2/3 weight for OWP and 1/3 weight for OOWP) and this combined number becomes the strength of schedule.

### Secondary Criteria

If the evaluation of the primary criteria does not result in a decision, the secondary criteria will be reviewed. All the criteria listed will be evaluated (not listed in priority order). The secondary criteria introduce results against out-of-region Division III and all other opponents including those contests versus opponents from other classifications (i.e., provisionals, NAIA, NCAA Divisions I and II).

- Out-of-region head-to-head competition.
- Overall Division III win-loss percentage.
- Results versus common non Division III opponents.
- Results versus all Division III ranked teams.
- Overall win-loss percentage.
- Results versus all common opponents.
- Overall DIII Strength of Schedule.

Additionally, input is provided by regional advisory committees for consideration by the men's baseball committee. In order to be considered for selection for Pools B or C, an institution must play at least 50 percent of its competition against Division III in-region opponents. Coaches' polls and/or any other outside polls or rankings are not used as a selection criterion by the men's baseball committee for selection purposes.

### Regional Alignments

Each Division III men's baseball team is assigned to one of eight geographic "evaluation" regions. The primary criteria used for ranking and selection is based on how a team performs against other Division III "in-region" teams. In addition, results versus Division III opponents within 200 miles or less of a team's campus, but outside its assigned geographic region, will be considered "in-region" and part of the primary selection/ranking criteria. All conference competition is considered in region. And finally, the championships committee has expanded the definition of an in-region contest to include "all competition within an institutions membership geographical region (Bylaw 4.13.1.1)." The country is divided into four membership regions. For most institutions, the change in definition should result in an expanded list of potential in-region opponents than in the past.

### Pairings and Site Selection

Once automatic qualifiers are identified and the Pools B and C teams are selected, the following guidelines should be followed:

- Once selected, teams will be grouped in clusters according to natural geographic proximity. Teams will then be paired according to geographic proximity. A team may be moved to numerically balance the bracket if geographic proximity is maintained. Teams should be paired and eligible sites should be selected according to geographic proximity (within 500 miles).
- Teams may be seeded on a regional basis using the regional selection criteria. However, geographic proximity takes precedence over seeding.
- Teams from the same conference do not have to play one another in the first round as long as geographic proximity is maintained.

**Regional Formats.** The procedures outlined below shall be used in conducting the regional competitions. All first-round games shall begin Wednesday, May 19, and will

be conducted over a four- or five-day period as outlined below. Except for reason of inclement weather, the following formats will not be altered unless prior approval is granted by the committee. If inclement weather is involved, the last possible time a regional championship game will be permitted to start is 9 p.m. local time Monday, May 24. If the regional representative cannot be determined on the field of play by this time, one team will be selected by the committee. Prospective host institutions must submit recommended starting times for all games within the proposed budget material for approval by the committee.

#### **Method of determining regional champion if play cannot be completed:**

Six-team tournament:

- a. Up until one team becomes 3-0, the highest-seeded team that has not been eliminated will advance to the finals in Appleton.
- b. If teams have an equal number of losses, the higher-seeded team, as determined by the Baseball Committee before the start of regional play, will advance to the finals in Appleton.

Seven- and eight-team tournament:

- a. Up until the completion of game four the highest seeded team will advance to the finals in Appleton.
- b. Up until the completion of game 9, the highest-seeded undefeated team will advance to the finals in Appleton.
- c. After game 9, the undefeated team will advance to Appleton. If both teams have the same number of losses the higher-seeded team will advance to Appleton.

For all rounds of competition, the committee will do its best to make sure that no team plays more than two games in a day, barring unforeseen circumstances.

**Championship Finals.** The eight winners of the competitions will advance to the championship series. The championship finals bracket, including dates, and game times, may be found in Appendix A.

#### **Certification of Eligibility/Availability**

*[Reference: Certification of Eligibility/Availability in this handbook and Bylaws 3.2.4, 12, 13, 14, 15 and 16 in the Division III NCAA Manual.]*

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. In accordance with Bylaw 3.2.4, member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition. Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championships competition.

For the baseball championship, the championships liaison must be notified before Friday, May 8.

#### **Religious/Commencement Conflicts**

Please note that the NCAA Presidents Council has approved the following policies for the championships.

**Religious Reasons.** If a participating institution has a written policy against competition on a particular day for religious reasons, it shall inform the NCAA championships staff liaison in writing one week before the selection date in order for it or one of its student-

athletes to be excused from competing on that day. The championships schedule shall be adjusted to accommodate that institution.

**Commencement Reasons.** If an institution's commencement conflicts with participation in the championships, it shall inform the NCAA championships staff liaison in writing one week before the selection date in order for the governing sports committee to accommodate a request to alter the championships schedule.

The following guidelines apply to commencement requests:

1. Policy applies to team sports only.
2. The governing sports committee, in consultation with participating institutions, would reschedule the game on the nearest possible date if a participating school has a conflict.
3. Institutions should give prior notice of commencement dates.
4. Policy does not apply to championships with predetermined finals sites.

The governing sports committee shall make a good-faith effort to accommodate participating institutions in non-predetermined preliminary-round contests with multiple teams participating at the same site.

The Presidents Council noted the importance of commencement for and encouraged greater flexibility of governing sports committees and the Championship Committee.

# Instructions to Participants

## All-Tournament Team

Regional and championship all-tournament teams, consisting of 11 players (including the most outstanding player), will be selected by the working media or an all-tournament selection committee.

## Audio Coverage (Radio and Internet)

Please refer to the NCAA Broadcast Manual policies and guidelines which can be found on [www.ncaa.com/broadcast](http://www.ncaa.com/broadcast).

## Awards

*[Reference: Awards in this handbook and 31.1.11 in the Division III NCAA Manual.]*

The finals participants will receive appropriate team trophies and 29 individual awards (for the travel party). Participation medallions will be provided to all student-athletes competing in the championship who do not receive an individual award (24 per team for the squad size).

## Baseballs

The Rawlings RINCAA baseball has been selected as the official baseball for all games in the three National Collegiate Championship tournaments.

The appropriate number of balls will be sent to all tournaments. The balls will be shipped to the director of athletics or tournament director at the host institution or delivered by the NCAA representative.

Each team must furnish its own practice balls.

## Box Scores

Official NCAA box score forms will be provided by the NCAA national office and shall be the only form used at any tournament site.

Five copies of the official box score of each tournament game must be sent immediately after the competition to Ty Halpin, NCAA, P.O. Box 6222, Indianapolis, Indiana 46206-6222.

Host institutions also are responsible for reporting results to the Association's Web site. E-mail results (including box scores, if possible) to: [updates@ncaa.com](mailto:updates@ncaa.com).

## Courtesy Vehicles

Officials and NCAA Representatives. The NCAA will pay for the rental of cars for a predetermined number of game officials and NCAA committee representative(s). The championships staff will make all arrangements directly through Short's Travel and communicate arrangements to the individuals who have been approved to rent cars.

When the car is picked up at the airport, the designated individual should decline insurance coverage if it is rented from National Interrent, but accept the insurance coverage if it is from another rental agency. The Association has more comprehensive insurance coverage if the car is rented from National.

The NCAA representatives and/or the designated officials shall be responsible for payment for the rental car, the cost of which will be reimbursed by the host institution.

The NCAA representatives and/or designated officials shall return their rental car agreements to the host institution of the competition for reimbursement. In the event a host agency is involved, the rental agreement shall be returned to the NCAA national office for reimbursement.

The NCAA national office shall explain the above procedure in advance to NCAA representatives and the designated officials. In addition, host institutions should review the procedure and reimbursement process with each individual during the precompetition meeting.

**Championship Participants.** The host institution may attempt to make arrangements for courtesy cars through a local dealer if the corporate partner is not able to provide vehicles. These vehicles would be allocated to the directors of athletics and head coaches of each participating team, members of the governing sports committee, etc.

If a local car dealer provides courtesy vehicles, it would be responsible for providing primary liability insurance coverage (\$1 million minimum).

The host institution must forward a copy of such coverage to the NCAA 60 days before the championship. The NCAA will provide physical damage insurance for approved courtesy cars.

The host institution will be responsible for the pickup and return of any courtesy cars from the designated dealer(s).

Credentials. A total of 34 credentials will be issued to teams.

## Determination of Home Team

For first-round games during championship competition when teams are seeded, the highest-seeded team shall be designated as the home team. If there are no seeds, the home team shall be determined by lot. In subsequent games, the home team shall be determined according to a formula applied by the games committee.

For the regional or national championship games, if one of the championship game teams is undefeated, it will be designated as the home team for the first game. The if-necessary game will be determined by lot. The home team in game one will call the flip. If both teams have one loss, the home team will be determined by lot.

In determining which of two teams in any game will be the home team, the games committee or the committee representative shall designate the home team using the following guidelines:

1. The institution that has been the home team the fewer number of times in that particular tournament.
2. If the two teams are equal in this respect but unequal in the number of times they were

the visitor, then the team that has been the visitor more often will be designated the home team.

3. If the two teams are equal in the number of times that they have been home and visitor, the games committee or the committee representative shall observe the following procedures in the order stated:
  - a. If the two teams have met previously in that particular tournament, the visitor in the previous game shall be the home team in the game in question (Exception: In a two-team tournament where both teams have been the home team twice, the fifth game will be determined by lot);
  - b. The team that was visitor in its preceding game shall be the home team, unless both teams were visitors in their preceding games; or
  - c. If the above procedures do not resolve the matter, the home team shall be determined by lot.

The home team shall occupy the third base dugout, take infield practice first and wear white uniforms if it owns white uniforms. The visiting team must wear a uniform of contrasting color. The tournament director will resolve any conflict in the selection of uniforms.

## Drug Testing

*[Reference: Drug Testing in this handbook and Bylaws 18.4.1.5 and 31.2.3 in the Division III NCAA Manual.]*

Student-athletes who compete in this championship may be subjected to drug tests in accordance with Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are eligible initially for this championship; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

Teams should be aware that drug testing procedures may affect team travel arrangements.

## Institutional Fight Songs

If an institutional fight song is played before the start of a tournament game, it must occur during that institution's infield practice or during the time allotted for pregame preparation of the field. Under no circumstances can the game be delayed to accommodate the playing of an institutional fight song.

## Instructions to Teams

An instruction sheet setting forth the pertinent information contained herein and containing specific information as to regional plans will be sent immediately after qualification or selection by each tournament manager to teams competing in the particular tournament for which he is responsible.

## Length of Game—Halted-Game Rule

All games shall be nine innings. If play has been stopped before nine innings have been completed, the halted-game rule (Rule 5-8) shall be used.

*[Note: The 10-Run Rule — Rule 5-7-b-(4) — shall not be used for the championship.]*

## Lodging

Tournament managers will make local reservations for the competing teams and advise them of the arrangements. All hotels used for team lodging should be of equal quality.

If an institution does not wish to stay at the designated hotel, it must obtain a written release of the reserved rooms from the hotel management or utilize the rooms for persons accompanying the official party. Failure to make satisfactory arrangements will result in the room charges being deducted from the team's per diem.

Hotel reservations for the official traveling parties of the eight competing teams will be made by the host institution. The participating teams are required to stay at the designated headquarters hotel unless prior approval is granted by the Division III Baseball Committee and receive a written release from the hotel manager.

## Media Arrangements

*[Reference: Publicity and Promotion in this handbook.]*

**Media Credentials.** The NCAA shall control the issuance of media credentials for each of its championships. Subject to limitations of space, media credentials shall be assigned in accordance with the following priorities: (1) campus media certified by the director of athletics and/or sports information director of each participating and host institution, (2) certified media from the immediate locale of the championship or the immediate locale of the competing teams, and (3) other certified media. It may be necessary for host institutions to create auxiliary media seating outside the permanent press box area.

Credentials for regional competition will be issued by the host sports information director. Credentials for the championship in Fox Cities, Wisconsin, will be issued by Kennan Timm, media coordinator (920/424-0365).

Credentials will not be issued to representatives of any organization that regularly publishes, broadcasts or otherwise promotes the advertising of "tout sheets" or "tip sheets" or other advertising designed to encourage gambling on college sports events. In addition, credentials will not be issued to representatives of telephone reporting services and professional sports organizations.

Other conditions for obtaining media credentials may be implemented, based on the circumstances at the championship site. These conditions must be approved before the competition by the media coordinator in conjunction with the NCAA.

**Microphones.** The placement of microphones on a team coach or in team huddles and bench areas is prohibited at all NCAA championships.

**Postcompetition Interviews.** Host institutions are required to provide an interview area large enough to meet the media's needs. Immediately after a 10-minute cooling-off period (i.e., 10 minutes after a competing team enters its dressing room), an interview area will open to all certified members of the news media; any coach and student-athletes requested by the media will be available for interviews. If a team or individual is participating in an awards ceremony, the cooling-off period will begin immediately after the presentation.

Regardless of regular-season radio or television contract(s), the coach is obligated to the entire covering media during the championship and must report to the interview room immediately after the 10-minute cooling-off period. The coach cannot delay a postcompetition interview with the covering media to conduct a program for a single newspaper, radio or television reporter unless requested to remain for a short interview (not to exceed four minutes) by the television entity that has been granted television rights by NCAA Broadcast Services.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period. The losing coach will be first and the winning coach second. They may, however, open their dressing rooms and/or report to the interview area before the cooling-off period ends, and make themselves available to all media representatives staffing the championship. Should a coach permit one media agency to enter the dressing room before the 10-minute cooling-off period has ended, the dressing room shall be opened to all other media representatives desiring access to the area. The NCAA championships have an “open locker room policy,” which is administered by the media coordinator on site.

## Meetings

[Reference: *Misconduct in this handbook and 31.02.3, 31.1.9 in the Division III NCAA Manual.*]

A meeting of the coaches of the competing teams, umpires and members of the games committee will be held before the beginning of the tournament and before each round of competition (after the first-round games) to determine home and visiting team, review ground rules, and dispense with any problems that may arise. Head coaches must attend this meeting.

At the pretournament meeting, the chair of the games committee shall acquaint the head coaches of the competing teams with the provisions of Bylaw 31.1.10.3 (Division I), 31.1.8.3 (Division II) or 31.1.9.3 (Division III), governing misconduct by student-athletes and/or representatives of competing institutions. Each institution shall note in writing on its postseason roster any player who has been suspended and the cause of the suspension (e.g., games penalized).

**Other Mandatory Functions.** Designated representatives from the participating institutions will be required to attend official tournament functions.

## National Anthem

The host institution or agency will determine when the national anthem will be played.

## Official Scorer

The official scorer for each game shall be appointed by the tournament director, and his or her duties shall be as outlined in the 2009-10 NCAA Baseball Rules and Interpretations. The official scorer will receive \$20 per game.

It is recommended that the Official NCAA Baseball Scorebook be used for all tournament games.

## Official Traveling Party

[Reference: *Squad Size, Per Diem and Transportation in this handbook.*]

Transportation and per diem expenses will be provided for an official traveling party of 29. Please refer to the NCAA Travel policies for all information regarding transportation and per diem expenses. Travel policies can be found online at [www.ncaa.org/financial/travelforms.html](http://www.ncaa.org/financial/travelforms.html).

## Practice

It is permissible for batting practice to be conducted on the game field for the first game of a double-header. If possible, all teams should take batting practice on the game field. All teams should be accorded practice facilities of equal quality beginning with the day immediately preceding the tournament and during the tournament. Between games of double-headers, each team will be permitted 10 minutes for infield practice.

For the championship, practice times have been scheduled for the day preceding the tournament (Thursday, May 20). The schedule will be distributed after the final eight teams have been determined.

### Pregame Schedule

The following pregame schedule shall be followed for all regional and championship final games:

	<b>Before Game</b>
Home infield	:40
Visitor infield	:30
Field preparation	:20
Introductions (if necessary)	:12
National anthem	:06
Umpires/coaches meeting	:03

It is recommended that between the last out of the previous game and the start of the next game, a 50-minute period be allowed, which provides for a 10-minute warm-up period before the home team takes infield.

## Program Supplements and Update Sheets

Host institutions for single-day/session championship rounds may choose to supplement the program with additional information (e.g., updated statistics or updated game notes) pertaining to the event at its site that day. The cost of producing these supplements will be covered by the host institution and will not be expensed to the NCAA or IMG College, the content must be approved by IMG College prior to the event and the supplements must be distributed inside and as a part of the program. The cost of the program cannot be raised as a result of the supplement. Once all programs have been sold, these supplements may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the supplements. If supplements are distributed, following the conclusion of the championship event please mail two samples of each supplement to Dan King (IMG College, 904 North Broadway, Lexington, KY 40505, ATTN: Dan King).

IMG College will contact hosts of those championships in advance of their events to discuss projected quantities and the paper on which update sheets should be printed. The cost of producing the update sheets will be covered by the host institution and not be expensed to the NCAA or Host Communications. The first update sheet of the event should be distributed inside and as a part of the program. Subsequent update sheets complement the program and are to be redeemed only with a coupon from the program. The cost of the program cannot be raised as a result of the update sheet. Once all programs have been sold, update sheets may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the update sheets. If update sheets are distributed, following the conclusion of the championship event please mail two samples of each update sheet to Ms. Stoess (IMG College, 904 North Broadway, Lexington, KY 40505, ATTN: Dan King).

The use of tobacco products during other championship activities, such as banquets, autograph sessions, press conferences and postgame interviews, is prohibited. Violations of this regulation shall be dealt with by the appropriate sports committee in accordance with Rule 3-10 of the NCAA Baseball Rules and the misconduct provisions of Bylaw 31.1.9.

## Umpires

1. Four umpires shall work every championship game (regionals and finals);
2. Six umpires shall be assigned to a six-team regional;
3. Eight umpires shall be assigned to an eight team regional;
4. An alternate (from the local area) shall be designated at each regional site. This person will be paid only a game fee (\$78 per game at regionals) for those games he may be called upon to work; and

If different umpires are assigned to the continuation of a suspended game, the umpiring fee will be divided equally among the officials.

The umpires must report to the tournament supervisor one hour before the game they are to work and be on the field 15 minutes before the start of the game.

An umpire shall not work more than two games in one day except in an emergency situation.

It is recommended that the host institution for regional and finals competition provide seats for nonworking umpires.

All umpires will be selected by the committee. For regional tournaments, the regional advisory committee chair will select and assign the umpires. A \$45 per diem is provided and all housing expenses, less incidentals, are paid by the host institution. Each part time official shall receive \$78 per game plus 50 cents per mile. A \$45 per diem is provided.

For the championship, the games committee shall select eight umpires. Each umpire will receive \$1,300 for working the championship finals. Any umpire located within a 500-mile radius of the site must drive and will receive 50 cents per mile for transportation expenses. Any umpire outside the 500-mile radius will receive air transportation, not to exceed jet coach fare. A \$45 per diem is provided and all housing expenses, less incidentals, are paid by the host institution.

**Policies.** A sports committee or games committee may not require membership in any specific officials association as a prerequisite for selection to officiate in an NCAA meet or tournament. Officials shall be selected and assigned by the sports committee or games committee, which shall ensure that officials adhere to the Association’s policies relating to gambling activities and drug and alcohol use. Furthermore, officials must

conduct themselves in a manner befitting intercollegiate athletics. Failure to do so may result in termination of the officiating assignment.

## Uniforms

*[Reference: Bylaw 12.5.4 in the Division III NCAA Manual.]*

Once a team enters the stadium/field, it is required that the team be in full pregame or regular-game uniform. In addition, team representatives must be in appropriate attire, not necessarily in uniform, for all other championship functions (i.e., press conferences, banquets, autograph sessions, etc.), which shall include warm-ups, batting practice and infield practice.

**Logos.** An institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal trademark, not to exceed 2 1/4 square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square or parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restriction.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4 square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies another entity other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes only during the conduct of competition, which includes any pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.
