Introduction

During the 2009-10 academic year, the Association will sponsor 88 national championships, of which 41 are for men, 44 are for women, and three are for both men and women. Among the men's championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 13 are Division III championships. Among the women's championships, four are National Collegiate Championships, 13 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men's and women's championships are National Collegiate Championships.

A championships handbook is produced for each NCAA championship and posted on the NCAA Online Web site (NCAA.org).

How to Use This Publication. The handbook is divided into three sections: (1) General Administration; (2) Determination of Competing Institutions; and (3) Instructions to Participants. Each topic included in the handbook is referenced to other applicable areas in the handbook or in the NCAA Manuals, where appropriate. For example, if you wish to know about regional advisory committees, the basic information for that particular sport would be included in an appendix. However, as referenced under the heading "Regional Advisory Committees," more information concerning general NCAA policy governing regional advisory committees can be found later in the handbook and in the NCAA Manuals.

Determination of Competing Institutions

Certification of Eligibility/ Availability

[Reference: Certification of Eligibility/ Availability in the Division II General Section and Bylaws 3.2.4, 12, 13, 14, 15 and 16 in the NCAA Manual.]

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. In accordance with Bylaw 3.2.4, member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition. For institutions that are under consideration for selections, we require that their athletics directors and chancellors or presidents complete the form located on the NCAA Web site at http://web1.ncaa.org/surveys/d2_elig_verify.html and submit it by May 1. If the status of a student-athlete changes after the deadline, please contact Sherard Clinkscales. Institutions that fail to provide this information may be withheld from championship selection.

Championship Structure

The Division II Women's Lacrosse Championship provides for a six-team, single-elimination tournament.

Championship Selection

To be considered for selection to the championship, regular-season games that are tied after regulation play must be decided with an overtime period. Teams must play a minimum of 10 contests.

The committee will select teams for the championship Sunday, May 9. All teams will be notified of their selection not later than Sunday evening. The brackets will be available on the NCAA's official Web site, NCAA.com.

Game Times

Recommended starting times for the Division II championship games shall be as follows:

Semifinals—5p.m. and 8 p.m., Eastern Time

Final—3 p.m., Eastern Time

Changes to these times must be approved by the women's lacrosse committee.

Selection Criteria

The Division II Women's Lacrosse Committee will evaluate teams by considering the following factors (not in priority order):

Primary selection criteria (not in any preferential order)

- Division II in-region win/loss record

- Strength of schedule.
 - In-region winning percentage and opponents' winning percentage.
 - Head-to-head competition
 - Results versus common opponents
 - Wins over teams with records above .750
 - Overall Division II record
- Secondary selection criteria
- Late-season performance

Teams must play a minimum of 10 games in-region and have a .500 record.

An institution desiring to participate in the championship must complete all games before the final scheduled selection call of the women's lacrosse committee.

Seeding

Each region will seed three teams (1-3) from each region. Teams will be paired by regions.

Score Reporting Procedure

In an effort to streamline the score reporting process for the 2010 Division II women's lacrosse season, the NCAA Division II Championships Committee has implemented an online score-reporting process for all institutions sponsoring Division II women's lacrosse.

Each institution must report results of each regular-season game via the online score reporting system, which can be found at: web1.ncaa.org/champsel/exec/login.

Each institution's username and password were given to the athletics director last year and is the same for this year.

Each institution is required to enter its team's schedule on the initial online score-reporting form **by March 22**. It will be each institution's responsibility to enter all game results, starting with the first game through postseason play. Updated score reporting forms with the latest results are due each Monday by 3 p.m. Eastern time.

For more detailed information on the features of the online score reporting forms go to the login screen, web1.ncaa.org/champsel/exec/login and click the "Instructions" link.

If at any point you misplace or would like to change your username or password for the online score-reporting form, please contact Sherard Clinkscales, Assistant Director of Championships, at 317/917-6474 or sclinkscales@ncaa.org. The request for a change of password must be submitted by the director of athletics.

Site Selection

[Reference: Dates and Sites, and Pairings in this handbook, Site Selection in the Division II General Section and Bylaw 31.1.3 in the NCAA Manual.]

The site-selection criteria have been prioritized in the following order for the Division II championships:

1. Complex must be enclosed so that admission can be charged.

2. Barrier should be established for safety purposes and to separate the spectators from the field of play.
3. Quality and availability of the facility and other necessary accommodations.
4. Field size and markings according to minimum requirements by current NCAA Women's Lacrosse Rules and Interpretations.
5. Facility amenities (e.g. restrooms, controlled press area/box/tent, locker rooms, concessions, media).
6. Event management (e.g., hotels, restaurants, transportation, locations).
7. Revenue potential (e.g., financial guarantee or guideline that ensures fiscal responsibility and is appropriate for the particular event as recommended by the women's lacrosse committee and approved by the Division II Championships Committee).
8. Attendance history and potential.
9. Additionally, all sites selected to host a round of competition must meet current NCAA Women's Lacrosse Rules and Interpretations required field dimensions.

NCAA Championships Policy Related to Sports Wagering. No pre-determined or non-pre-determined session of an NCAA championship may be conducted in a state with legal wagering that is based on single-game betting on the outcome of any event (i.e., high school, college or professional) in a sport in which the NCAA conducts a championship.

Instructions to Participants

All-Tournament Selection

Twelve outstanding players will be selected at each championship. The announcement of the outstanding players, including a most outstanding player, will be made in conjunction with the presentation of awards.

Audio Coverage (Radio and Internet)

Please refer to the NCAA Broadcast Manual policies and guidelines on www.ncaa.com/broadcast.

Attendance

Please note that in determining the attendance figures to announce for each session of the championship, this number should be derived based on paid attendance. The paid attendance figures are also what should be listed on the online proposed budget and the online final financial report. If no paid attendance is collected, the host institution/conference/loc should provide an estimated attendance figure. The host institution/conference/loc has the option to provide a "turnstile" count [e.g., 34,575 paid attendance (12,456 turnstile attendance)].

Awards

[Reference: Awards in the Division II General Section and Bylaw 31.1.10 in the NCAA Manual.]

Official NCAA trophies and individual awards will be presented to the official travel party of the top four teams in each championship. Participation awards will be provided to all student-athletes competing in or in uniform at the championship who do not receive a team award. These awards will be sent to predetermined host sites.

Ball Retrievers

It is the responsibility of the host institutions to provide an adequate number of ball retrievers. Ball retrievers must be at least 12 years of age and dress in attire that will distinguish them from the competing institutions and other sideline personnel. The host institution is required to train and provide for the safety of the ball retrievers.

Balls

The Brine yellow lacrosse ball will be used in all tournament games. These balls will be sent by the manufacturer to the tournament manager at the host institution for each round of competition.

Each team must provide its own practice balls.

Banners

The display of institutional banners is subject to the approval of the games committee.

Banquet

The championship banquet will be conducted the evening of May 21 at 7 p.m.

Bench Passes

For all NCAA championship games, the NCAA representative(s) will designate the bench areas for the teams. The higher-seeded team will be assigned the bench to the right as one faces the scorer's table from the field.

A total of 30 team personnel may be in the bench area during competition for the championship. This total must include an administrator from the participating institution and not more than 24 participants in uniform. Additional personnel in the bench area must be institutional personnel or team members. Please note that anyone exceeding the official travel party number must purchase a ticket to the competition, even if they receive a bench pass.

Each institution may designate one person to serve at the officials' table. This person may be exempt from the bench pass limit.

Cheerleaders, Mascots and Bands

Cheerleaders and/or spirit team members, not to exceed 12 in number, plus a cheer coach and the mascot shall be admitted, if in uniform, via the gate list furnished to the host institution by the competing institution's director of athletics; all other institutional representatives will be admitted only upon presentation of a ticket. A maximum of 12 cheerleaders and/or spirit team members shall be allowed on the sideline during the progress of the game. The cheerleaders shall be located in a designated area by the tournament manager.

All cheerleading squads must conform to the guidelines set by the American Association of Cheerleading Coaches and Advisors (AACCA). Neither the NCAA nor the host institution shall be responsible for supervising or monitoring routines performed by cheerleaders at championship events. Except as noted in this section, supervision of cheerleading squads, their activities, yells and stunts are solely the participating institution's responsibility. The participating institution shall ensure that the squad has sufficient training, supervision and equipment for any and all routines its squad may choose to perform. Tournament managers must inform participating institutions if the host facility has more stringent requirements and ensure compliance.

The use of trampolines, stunts more than two persons high, "basketball tosses" and cheerleader flips is not permitted. Tournament managers must inform participants if the host facility has more stringent restrictions, which shall be applied. If necessary, the director of athletics at each institution shall be asked to apprise the appropriate individuals of this policy and ensure their cooperation.

Band members, not to exceed 25 in number, who are in uniform and performing at the championship, will not be charged admission to the competition. Bands, or any component thereof, are allowed to play during timeouts, halftime, between games, and before and after the competition.

Drug Testing

[Reference: Drug Testing in the Division II General Section and Bylaws 18.4.1.5 and

31.2.3 in the NCAA Manual.]

Student-athletes who compete in this championship may be subject to drug tests in accordance with Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for this championship; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

Equipment

In accordance with Bylaw 12.5.4, athletics equipment (e.g., shoes, gloves, helmets, sticks) may bear only the manufacturer's normal label or trademark as it is used on all such items for sale to the general public. Failure to comply with this regulation may jeopardize a student-athlete's eligibility.

Protective Eyewear. For the championship, all student-athletes must wear protective eyewear that meets current American Society of Testing and Materials (ASTM) lacrosse standards.

All equipment must conform to the specifications outlined in current NCAA Women's Lacrosse Rules and Interpretations.

Field Phones

Electronic communication between coaches (e.g., field phones, walkie talkies) is permissible. Electronic communication between coaches and field players is prohibited.

Film/ Videotape Exchange

Competing institutions may exchange and view regular-season game film/ videotape, but may not exchange or view film/ videotape from NCAA tournament games. Institutions are encouraged to exchange film directly with their opponents. All film/ videotape exchanged must be of complete games.

Game Films/ Videotape

Subject to prior approval of the NCAA, participating institutions may film/ videotape games in which they participate. The host shall be responsible for videotaping each game and providing a copy to the competing institution, as well as the NCAA.

Lodging

The host institution must make local reservations for the competing teams and advise them of the arrangements. Each competing institution is obligated to confirm or cancel the accommodations. (Campus housing is not recommended.)

An institution is not obligated to stay at the designated property; however, it is responsible for canceling its reservations according to the hotel's policy and those below, then securing its own accommodations.

Institutions are responsible for the rooms reserved. Twenty rooms should be reserved for each team participating in the Division II semifinals and final.

If an institution prefers to stay in another hotel, it must (a) obtain a release for the rooms from the hotel manager or (b) use the rooms for persons accompanying the official traveling party. If an institution fails to make satisfactory arrangements for use of rooms with the hotel, full charges for the rooms will be billed to the institution.

Media Arrangements

[Reference: Publicity and Promotion in the Division II General Section.]

Media Credentials. The NCAA shall control the issuance of media credentials for each of its championships. Subject to limitations of space, media credentials shall be assigned in accordance with the following priorities: (1) campus media certified by the director of athletics and/or sports information director of each participating and host institution, (2) certified media from the immediate locale of the championship or the immediate locale of the competing teams, and (3) other certified media.

Credentials will not be issued to representatives of any organization that regularly publishes, broadcasts or otherwise promotes the advertising of “tout sheets” or “tip sheets” or other advertising designed to encourage gambling on college sports events. In addition, credentials will not be issued to representatives of telephone reporting services and professional sports organizations. To obtain credentials, contact the host institution’s sports information office.

Microphones. The placement of microphones on a team coach or in team huddles and bench areas is prohibited at all NCAA championships.

Open Practices. Representatives of the credentialed media will be permitted access to team practices in the stadium only on the game field during scheduled practice hours.

Postgame Interviews. Immediately after a 10-minute cooling-off period, an interview area will open to all certified members of the news media; any coaches and student-athletes requested by the media will be available for interviews. If a team or individual is participating in an awards ceremony, the cooling-off period will begin immediately after the presentation. The general policy is that the non-advancing team will be interviewed first. Coaches may waive the cooling-off period if they desire.

Regardless of any regular-season radio or television contract(s), the coach is obligated to address all media covering the championship and must report to the interview room immediately after the 10-minute cooling-off period. The coach cannot delay a postgame interview with the covering media to conduct a program for a single newspaper, radio or television reporter unless requested to remain for a short interview (not to exceed four minutes) by the television entity that has been granted television rights by the NCAA.

All coaches and student-athletes must be made available for post competition interviews after the “cooling off” period. This not only applies to formal press conferences, but also to any interview requests made to coaches and/or student-athletes not involved in the press conference. Failure to do so may result in possible misconduct, as determined by the women’s lacrosse committee.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period. They may, however, open their locker rooms and/or report to the interview area before the cooling-off period ends, and make themselves available to all media representatives staffing the championship. Should a coach permit one

media agency to enter the locker room before the 10-minute cooling-off period has ended, the locker room shall be opened to all other media representatives desiring access to the area. The NCAA championships have an “open locker room policy,” which is administered by the media coordinator on site.

Meetings

[Reference: Misconduct in the Division II General Section and Bylaws 31.0.2.3 and 31.1.8 in the NCAA Manual.]

Games Committee Meeting. Before the coaches meeting, the games committee will meet to discuss policies and procedures relating to the championship. The national committee will serve as the games committee.

Coaches Meeting. A pretournament conference call will be conducted Monday, May 11. Representatives from all participating teams, the host institution and the women’s lacrosse committee will be required to participate.

A coaches meeting also shall be conducted before the first day of competition. The purpose of the meeting is to review policies and procedures governing the conduct of the championship, and to introduce the games committee. The head coach, sports information representative and designated athletics representative of each team must be present.

Officials Meeting. For championship competition, the head official will conduct a field inspection not later than the day before the semifinals and before the coaches meeting. The officials meeting will take place the morning of the semifinals.

Music

During the tournament, teams may not play their music during warm-ups; the NCAA will provide neutral music. The host’s regular season warm-up music may not be used. The games committee reserves the right to review the music to ensure appropriate content.

News, Media, Press Conferences and Satellite Feeds

Please refer to the NCAA Broadcast Manual policies and guidelines that can be found on NCAA.com/broadcast.

In addition, all officials for the final site are approved for air transportation, if necessary.

Officials will receive a \$45 per diem for meals and incidentals on each day of their assignments, beginning with the day of arrival and ending with the day of departure.

The host institution shall provide an announcer, two clock operators, an official scorer, two statisticians (one for each team) and ball persons (minimum of four).

Practice

Practice access to all designated host-site fields is limited to the day before and the day of competition, weather permitting. If this is not possible, a practice field will be available to both teams the day before the game. All practices held the day before games will be closed to all but credentialed media and credentialed participants.

Practice times will be assigned by the NCAA in consultation with the host institution. The host institution is required to provide one set of goal cages for each team on the practice field and is urged to provide two (and creases, if possible). A team is limited to not more than the 30 members of its traveling party participating in the practice sessions.

On game days, each team will be guaranteed a minimum of 45 minutes on the field for its pregame warm-up before the introduction of the players.

For the semifinals and finals, practice times will be assigned based on which region is playing in the first game.

Practice Times

Friday: Teams shall be provided 30 minutes on an adjacent field (an open grass space or one end of a field; if available, cages shall be provided with crease and lines drawn for goalie warm-up and team stretching). Each team then would move to the competition field for a one-hour practice.

Once all programs have been sold, these supplements may be given away or sold at the discretion of the host institution, with all potential revenue for such

remaining with the host institution. No advertising of any kind may be sold or placed on the supplements. If supplements are distributed, following the conclusion of the championship event please mail two samples of each supplement to Dan King (IMG College 904 North Broadway, Suite 200, Lexington, KY 40505, ATTN: Dan King).

For championships that have multiple sessions, matches, events or days, host institutions may choose or be required by the NCAA to produce update sheets (e.g., heat sheets, lane assignments). IMG College will contact hosts of those championships in advance of their events to discuss projected quantities and the paper on which update sheets should be printed. The cost of producing the update sheets will be covered by the host institution and not be expensed to the NCAA or IMG College. The first update sheet of the event should be distributed inside and as a part of the program. Subsequent update sheets complement the program and are to be redeemed only with a coupon from the program. The cost of the program cannot be raised as a result of the update sheet. Once all programs have been sold, update sheets may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the update sheets. If update sheets are distributed, following the conclusion of the championship event please mail two samples of each update sheet to Mr. King (IMG College, 904 North Broadway, Suite 200, Lexington, KY 40505, ATTN: Dan King).

If a host institution would like to supplement the program with additional information, or has a question about the update sheets, please contact Matt Briggs at IMG College (859/226-4556; matthew.briggs@imgworld.com).

Protest Procedure

The protest committee shall consist of the four officials; in case of a split decision, the decision of the head field official will be final. (The NCAA representative will be present during discussions regarding protest situations.)

In the event of a protest, the coach must proceed to the scorer's table, within a reasonable amount of time, and explain to the table official what is being protested. Only the misapplication of a rule may be protested; an official's judgment may not. The table official will determine whether the situation is protestable and, if so, will call a timeout at the next dead ball so play will not be interrupted. The four officials will discuss the protest and advise the coaches of their decision.

Publicity and Promotion

As the season progresses, an institution desiring to participate in the Division II championship, and whose record indicates that it is under consideration for selection should send promotional material to the host tournament manager and IMG College at the earliest possible moment.

Promotional material should include up-to-date won-lost records, data on outstanding players, cumulative statistics, news releases and brochures.

The sports information director of the host institution will provide to the sports information directors of the competing teams a listing of the news outlets to which publicity materials are to be directed and shall indicate how each visiting director may assist in the promotion of the tournament. Further, host SIDs are responsible for sending information to www.ncaass.com during the championship. The following should be included:

- Game score
- Score by half
- Box score
- Recap story
- Game photo (submit in appropriate digital format)
- Radio

Please refer to the NCAA Broadcast Manual policies and guidelines on NCAA.com/ broadcast.

Rules of Play

The 2010 championship will be conducted according to the 2010 and 2011 NCAA Women's Lacrosse Rules Book. Questions regarding the interpretation of rules should be addressed to Pat Dillon at 301/656-6522. Rules books may be ordered through the NCAA Web site.

Scouting of Opponents

All scouting of championship games must be done in person. No restrictions will be made to preclude competing teams from scouting another game of the championship; however, complimentary admission for scouts is not allowed.

Severe Weather Policy

In case of severe weather, the host institution's regular severe weather policy will be followed during all practices and games. Institutions with questions in establishing such a policy should refer to the NCAA Sports Medicine Handbook, guideline 1-D, Lightning Safety. For the semifinals and finals, if a game is delayed, the following warm-up times will be allowed before re-starting play:

- Up to 45-minute delay—10-minute warm-up
- 45- to 60-minute delay—15-minute warm-up
- More than one-hour delay—20-minute warm-up.
- The warm-up times may be waived if both coaches agree.

Site Selection

[Reference: Site Selection in the Championship Information Section of this handbook and Bylaw 31.1.3 in the NCAA Manual.]

The governing sports committees shall evaluate prospective sites for the NCAA championships in terms of the specific criteria approved by the Division II Championships Committee. The Division II Championships Committee may assign specific priorities to these criteria for their respective championships. A governing sports committee that desires to use additional criteria shall obtain the approval of the Division II Championships Committee before doing so.

Squad Size

Participating teams are limited to a maximum of 24 players in uniform in Division II for any one contest. Each team must designate its 24 players to be used during the pregame meeting. After the game starts, no replacements will be permitted for any reason. An institution that is advised it is in violation of this regulation and does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule.

Starting Times

The national committee shall determine starting times for the semifinal and championship games in consultation with the host and broadcast partners.

Television Rights and Footage Licensing

Please refer to the NCAA Broadcast Manual policies and guidelines on www.ncaa.com/broadcast.

Transportation

Local Transportation for Teams. The host institution is urged to assist each team in arranging for local transportation (i.e., reserve team buses in advance or provide names and telephone numbers of companies that could be contacted).

Game Officials' Transportation. Travel expenses for the officials will be paid according to the actual mode of transportation, not to exceed jet coach air fare or 50 cents per mile, but not including airport terminal or other local transportation. Officials who receive approval for air transportation must make flight arrangements through the NCAA travel service, Short's Travel Management, 866/655-9215.

Tickets

[Reference: Tickets in the Division II General Section.]

The minimum ticket prices for the championship are \$8 for adults and \$5 for students with ID cards. Children 12 years of age and younger may be admitted to any game for \$2. Children aged two and under are free.

Uniform Logos

The provisions of Bylaw 12.5.4 indicate that an institution's official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, swim caps, and towels) that are worn by student-athletes in competition may bear a single manufacturer's or distributor's normal trademark, not to exceed 2¼ square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution's official uniform cannot bear a design element similar to the manufacturer's that is in addition to another logo or that is contrary to the size restrictions.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2¼ square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete's institution.

These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes any practices, pregame or postgame activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff. Noncompliance with this legislation could result in loss of eligibility, forfeiture of points earned by those ineligible student-athletes and adjustment of team standings.

Uniforms

The higher-seeded team (as determined by the women's lacrosse committee) will wear light-colored uniforms for all rounds of competition.

In competition and during related ceremonies (pregame/ warm-up, introductions, award ceremonies and postgame interviews), student-athletes in the Division II championship shall wear exclusively the official game uniforms of their institutions. This applies to warm-up uniforms and competitive uniforms.

Tights and undergarments worn must be of a matching solid color.

Credential and Ticket Disclaimers

Conditions Placed on Use of Credentials

This working credential is issued for the sole purpose of providing facility access to an accredited agency's full-time salaried employee who has a legitimate working function (media or game service) in connection with this championship. It is nontransferable. Any unauthorized use of this credential subjects the bearer to ejection from the facility and prosecution for criminal trespass.

Any secondary use of any picture, audio description, film/tape or drawing of the game taken or made by the accredited organization or individual to whom this credential has been issued (including but not limited to use in delayed editorial or noneditorial, advertising, sales promotion or merchandising) is prohibited without prior specific written approval of the National Collegiate Athletic Association.

Television stations, networks or cable systems taping game action shall use the network feed via the video and audio distributing facilities provided by the NCAA. **Television stations, networks or cable systems taping NCAA championship competition recognize that any tapes may be used only in connection with a regularly scheduled television newscast within a seven-day period after the game and the film clip or taped portion of each such showing will not exceed three (3) minutes in length. Neither live nor delayed footage of a game may be shown until the telecast of that game has been completed.**

Television stations, networks or cable systems are prohibited from making available game film or tape to any other organization even though the planned use may be editorial in nature without advance written permission from the NCAA. **Such film or tape may be aired only by the specific station or entity to whom this credential is issued.** These rights may not be assigned, transferred or otherwise disposed to any person, firm or corporation. Any agency wishing to use NCAA film or tape in any other manner must obtain written permission for such usage from the NCAA.

Radio stations that have not purchased rights shall not carry any broadcast report from the playing field on a live basis or any live description of any game action while it is still in progress. A station may report on events of the championship (other than on a live basis from the playing field) for broadcast within a newscast and is not precluded from reporting or updating the score of a game while it is in progress except from the playing field or in the stadium proper.

Television/radio stations, networks or cable systems agree to indemnify and save harmless the NCAA, its officers, agents, employees, and each of its member institutions, their officers, agents and employees, of and from any and all claims, demand and causes of action arising out of anything done or purported to have been done by the television/radio stations, networks or cable systems, its agents or assigns.

The aforementioned further agrees to release the NCAA and all persons and educational institutions involved in the management or production of the competition from any claim or liability arising from failure to provide space for telecasting/

broadcasting, or other facilities for the television/radio station, network or cable system.

Acceptance of this credential constitutes agreement by the bearer and his or her organization to abide by the foregoing conditions. Thank you for your cooperation.

NATIONAL COLLEGIATE ATHLETIC ASSOCIATION

2009-2010 Standard Ticket Back Disclaimer

GENERAL GUIDELINES. The ticket back language should be placed on the back of the ticket stubs, but if it cannot be done (as is the case with some championships where this language may not appear due to cost factors - e.g., no new ticket stock is produced), this language must at a minimum be posted at all ticket windows for the patrons to see, be included as an insert with the ticket mailing, etc. The patrons just need to be placed on notice about the restrictions.

Please note that the bold information in the middle of the document will need to be replaced with either just “no readmittance” as is already listed, or delete the “no readmittance” language as well and list the actual readmittance policy in succinct terms if one is allowed at a given venue.

If you receive a request for a variance in the language listed below or if there is anything sport or venue specific that you would like to include on your ticket back disclaimer language, please consult directly with Jay Rossello, and copy Randy L. Buhr on any correspondence. In addition, if the championships event uses an official, authorized secondary ticket seller (e.g., RazorGator), please also consult Mr. Rossello and copy Mr. Buhr on any correspondence.

In addition, please review the online NCAA Championships Promotions Playbook for more detailed information regarding the rules related to the use of existing ticket stock or event-specific ticket stock. The entire section can be found at the following link: <http://www.ncaa.org/wps/ncaa?ContentID=2658>.

The following is the 2009-2010 standard ticket back disclaimer language:

**THIS TICKET IS A REVOCABLE LICENSE
USER ACCEPTS RISK OR INJURY**

The ticket purchaser/holder (“Holder”) voluntarily assumes all risk of property loss and personal injury arising during its use. Management may revoke the license and eject or refuse entry to the Holder for violation of ticket terms and conditions, facility rules, illegal activity or misconduct. Holder may not go into the competition area or interfere in any way with the play of the contest. Any Holder interfering with the play of the contest may be subject to ejection from the venue. Tickets reported as lost or stolen may not be honored and may not be replaced nor the price refunded. This ticket may not be duplicated. Holder may not solicit contributions or distribute literature on the premises. Every person, two years of age and older, must have a ticket to enter the facility. Entry will be at the venue’s

discretion, unless proof of age is provided. Those under two must be accompanied by a person with a valid, admission ticket. Holder may not bring alcoholic beverages, bottles, cans or containers, laser pointers, irritants (e.g., artificial noisemakers) or strobe lights onto the premises. Promotional items (e.g., shakers, cups, flags, etc.) with commercial slogans or identification also are prohibited. Noncommercial signs, flags or banners that, in the opinion of the NCAA, reflect good sportsmanship, can be held by one individual and do not block the view of other ticket patrons, are permitted. No signs, flags, or banners of any size may be affixed to the facility. Holder shall not sell, transmit or aid in transmitting any description, account, picture, recorded transmission, video recording or other reproduction of the contest to which this ticket is issued. Holder expressly grants the NCAA and its licensees to use Holder’s image or likeness in connection with any live or recorded transmission or reproduction of such event. Unless specifically authorized in advance by the NCAA, this ticket may not be offered in a commercial promotion or as a prize in a sweepstakes or contest. The NCAA may choose to relocate the event to another facility. The NCAA shall not be responsible for punitive, incidental, consequential or special damages.
