## Introduction

During the 2010-11 academic year, the Association will sponsor 88 national championships, of which 41 are for men, 44 are for women, and three are for both men and women. Among the men's championships, five are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 13 are Division III championships. Among the women's championships, four are National Collegiate Championships, 13 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men's and women's championships are National Collegiate Championships.

A championships handbook is produced for each NCAA championship and posted on the NCAA Online Web site (NCAA.org).

**How to Use This Publication.** The handbook is divided into four sections: (1) General Administration; (2) Determination of Competing Institutions; (3) Instructions to Participants; and (4) General Championship Information. The first three sections pertain only to the respective sport, while the fourth deals with NCAA policies applicable to all 88 championships. [Note: Some policies listed in the general section have been revised by individual sports committees. The revision(s) will appear in the sport-specific section of the handbook.]

Each topic included in the handbook is referenced to other applicable areas in the handbook or in the NCAA Manuals, where appropriate. For example, if you wish to know about regional advisory committees, the basic information for that particular sport would be included in the Appendix. However, as referenced under the heading "Regional Advisory Committees," more information concerning general NCAA policy governing regional advisory committees can be found later in the handbook and in the NCAA Manuals.

## General Administration

### Dates and Sites

*[Reference: NCAA Bylaw 31.1.3 in the NCAA Division I Manual.]*

**NCAA Championships Policy Related to Sports Wagering.** No pre-determined or non-pre-determined session of an NCAA championship may be conducted in a state with legal wagering that is based on single-game betting on the outcome of any event (i.e., high school, college or professional) in a sport in which the NCAA conducts a championship.

**General Requirements.** All games will be played at sites and times determined by the NCAA Division I Women's Soccer Committee. The actual playing times of preliminary-round games of the championships shall be determined by the women's soccer committee. All rounds of the championship (except the semifinals and final) will be conducted on the campus of one of the participating institutions.

To assist the committees in selecting sites, an evaluation will be made of institutional facilities to determine if they are acceptable for championship play.

A facility evaluation form is available on the NCAA Web site at <http://www.ncaa.org/wps/ncaa?ContentID=39>.

In addition to the quality and availability of facilities, the Division I Women's Soccer Committee applies the selection criteria to assist in determining the host sites. Institutions who desire to host one or more rounds of the championship (except semifinals and final) must complete the budget packet (online) by October 22.

Neutral sites (i.e., off-campus sites or facilities not used during the regular season) are not permitted unless approved in advance by the Women's Soccer Committee.

The Division I Women's Soccer Committee prefers for games to be played on grass fields 70 yards x 115 yards and larger, but will not preclude artificial turf (if approved by FIFA).

### Dates

*Final Regular Season*—Results received after 6 p.m. (Eastern time) Sunday, November 7 may not be considered in the selection process.

*First Round*—Must be played Friday, November 12.

*Second Round*—Must be played Sunday, November 14.

*Third Round*—Must be played Friday night, Saturday or Sunday, November 19, 20 or 21.

*Quarterfinals*—Must be played Friday night, Saturday or Sunday, November 26, 27 or 28.

*(Note: If an institution that has a policy against competing on Sunday or another religious day advances to the semifinals, pending the outcome of the semifinal games, the championship game may be contested on Saturday, December 4.) The first- and second- rounds may also be contested on Thursday and Saturday if institutional policies prohibit Sunday play.*

**Future Site.** 2011 Semifinals and Final—Friday and Sunday, December 2 and 4, KSU Soccer Stadium, Kennesaw, Georgia.

## Championship Selection

[Reference: Bylaws 31.01.2, 31.01.3 and 31.3 in the NCAA Division I Manual.]

The Division I Women's Soccer Committee will select teams for the championship. The committee will announce the teams selected, first-round pairings and game sites Monday, November 8. The selection announcement time will be provided at a later date. Teams will be notified of their selection as soon as possible thereafter.

Also, championship information, including the complete bracket, will be available at NCAA.com subsequent to the official announcement. Updates can be found at this site throughout the championship.

**Selection Requirements.** To be considered during the at-large selection process, a team must have an overall won-lost record of .500 or better.

**Countable Competition.** For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see NCAA Constitution 3.2.4.5) of United States four-year, degree-granting institution. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded. Regular-season games decided by the penalty-kick tiebreaker procedure shall be considered as ties for selection purposes. The scheduling of additional games not listed on the institution's published schedule as an aid for selection shall not be considered.

**Selection Criteria.** The following criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition [Bylaw 31.3.3; Criteria for Selection of Participants]:

- Won-lost record;
- Strength of schedule; and
- Eligibility and availability of student-athletes for NCAA championships;

In addition to Bylaw 31.3.3, the women's soccer committee has received approval from the Division I Championships/Competition Cabinet to consider the following criteria in the selection of at-large teams for the soccer championship (not necessarily in priority order):

### Primary Criteria

- Adjusted Rating Percentage Index (RPI);

(See Appendix H of the 2010 NCAA Division I Women's Soccer Championship Handbook).

- Results versus common opponents; and
- Head-to-head competition.

### Secondary Criteria

If the evaluation of the primary criteria does not result in a decision, the secondary criteria will be reviewed. All the criteria listed will be evaluated.

- Results versus teams already selected to participate in the field (including automatic qualifiers with and RPI of 1-75)
- Late season performance - defined as the last eight games including conference tournaments (strength and results).

*Recommendations are provided by regional advisory committees for consideration by the women's soccer committee. Coaches' polls and/or any other outside polls or rankings are not used as a selection criterion by the women's soccer committee for selection purposes.*

**Score Reporting.** Weekly game results will be updated automatically via an XML transfer from reports provided to the NCAA statistics group.

RPI Information will be released on the NCAA website on the following dates: October 5, 12, 19, 26 and November 2. In addition, the RPI will be released after the conclusion of the championship.

## Certification of Eligibility/Availability

*[Reference: Certification of Eligibility/Availability in the Division I General Section and Bylaws 3.2.4, 12, 13, 14, 15 and 16 in the NCAA Division I Manual.]*

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. In accordance with Bylaw 3.2.4, member institutions are required to certify the eligibility of their student-athletes before the beginning of each academic year and to withhold ineligible student-athletes from all intercollegiate competition.

Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championship competition.

The championship liaison must be notified before November 7.

## Pairings

*[Reference: Bylaw 31.1.3 in the NCAA Division I Manual.]*

The top 16 teams identified by the committee will be seeded in the bracket. The seeded teams will compete at separate first and second round sites. The committee has been given approval by the Championships/Sports Management Cabinet to place the top 16 seeds in pods of four. There will be four number ones, four number twos, four number threes, and four number fours. The remaining 48 teams will be paired geographically. First- and second-round conference matchups will be avoided. The committee will use the NCAA's mileage calculator located on the travel Web site at <http://web1.ncaa.org/TES/exec/login?js=true> when establishing the mileage for travel. Teams within 400 miles of each other will be required to drive.

# Instructions to Participants

## All-Tournament Team

The all-tournament selection committee shall be composed of a panel of selected media. Before the first semifinal game, the committee will request the four participating coaches to identify not more than six players from their respective teams who they believe should be considered. From these suggestions, a ballot will be developed for the semifinal games. After the semifinals, the all-tournament selection committee will submit its ballots to the NCAA media coordinator. The ballots may include write-in nominations. A second ballot will be distributed for the championship game. The all-tournament team will consist of 11 players (regardless of position), including the most outstanding offensive and defensive players.

## Attendance

Please note that in determining the attendance figures to announce for each session of the championship, this number should be derived based on paid attendance. The paid attendance figures are also what should be listed on the online proposed budget and the online final financial report. If no paid attendance is collected, the host institution/conference should provide an estimated attendance figure. The host institution/conference has the option to provide a "turnstile" count [e.g., 34,575 paid attendance (12,456 turnstile attendance)].

## Audio Coverage (Radio and Internet)

Please refer to the NCAA Broadcast Manual policies and guidelines that can be found at [www.NCAA.com/broadcast](http://www.NCAA.com/broadcast).

## Awards

*[Reference: Awards in the Division I General Section and Bylaw 31.1.12 in the NCAA Division I Manual.]*

Official NCAA awards will be presented to the official traveling party for the championship. Trophies will be presented to the teams that participate at the Women's College Cup site, and members of those teams will receive individual awards. Participation medallions will be presented to a maximum of 22 student-athletes (i.e., squad size, not official travel party) competing or in uniform at the championship. These awards will be distributed at the competition site to the nonadvancing teams. The following will be presented at the National Championship site: four team trophies; 22 watches to the championship team (the additional six watches will be sent after the championship); and 28 individual trophies to the runner-up and semifinalists. Please refer to the Division I General Section for information regarding purchasing additional awards.

## Ball

The Wilson Avanti soccer ball will be used in all NCAA tournament games. These balls will be sent by the manufacturer to the tournament manager at the host institution for each round of competition. The host institution is responsible for “breaking in” the game balls before each tournament game. The game balls may be distributed after the games by giving them to the participating schools or by donating them to a local youth group.

## Ball Persons and Rotation

The host institution must arrange for a minimum of six experienced ball persons. These ball persons must be at least 10 years of age.

## Banquet

A championship banquet will be held by the host institution the night before the semifinals. Proper attire is required.

## Bench Assignments

The hosting institution in preliminary rounds is the home team and shall use the bench of their choice. If/when two neutral institutions compete the home team bench is to the right of the table.

## Cheerleaders, Mascots, Bands and Banners

Cheerleaders and/or spirit team members, not to exceed 12 in number plus the mascot, shall be admitted, if in uniform, via the gate list furnished to the host institution by the competing institution’s director of athletics; all other institutional representatives will be admitted only on presentation of a ticket.

A maximum of 12 cheerleaders and/or spirit team members shall be allowed on the field during the progress of the game. The cheerleaders shall be stationed opposite their respective institution’s playing area designated by the tournament manager.

Cheerleading squads should be located in the end zone or sideline area outside of the playing surface on the end of the field where their respective teams are located. It is ideal if this area is barricaded from the field. At no point should the cheerleaders enter the area behind the goals.

Band members, not to exceed 25 in number, who are in uniform and performing at the championship, will not be charged admission to the competition. Bands, or any component thereof, are allowed to play during timeouts, between games, and before and after the competition.

All cheerleading squads must conform to the guidelines set by the American Association of Cheerleading Coaches and Advisors (AACCA). Neither the NCAA nor the host institution shall be responsible for supervising or monitoring routines performed by cheerleaders at championship events. Except as noted in this section, supervision of cheerleading squads, their activities, yells and stunts is solely the participating institution’s responsibility. The participating institution shall ensure that the squad has sufficient training, supervision and equipment for any and all routines its squad may

choose to perform. Tournament managers must inform participating institutions if the host facility has more stringent requirements. If so, the director of athletics at each institution must apprise his or her cheerleading squad of such requirements and ensure compliance. The cheerleading squad is allowed to carry an institutional flag, but it may only be displayed during the respective teams’ timeout or between games. It cannot be used to taunt competitors or block spectator’s view.

The use of trampolines, stunts more than two persons high, “basket tosses” and cheerleader flips is not permitted. Tournament managers must inform participants if the host facility has more stringent restrictions, which shall be applied. If necessary, the director of athletics at each institution shall be asked to apprise the appropriate individuals of this policy and ensure their cooperation.

The display of banners is subject to the approval of the games committee.

## Conference Call

A conference call with head coaches and administrators of the four teams advancing to the Women’s College Cup will be conducted at 2 p.m. (Eastern time) Monday, November 29 to review the administration of the event.

## Drug Testing

*[Reference: Drug Testing in the Division I General Section, and Bylaws 18.4.1.5 and 31.2.3 in the NCAA Division I Manual.]*

Student-athletes who compete in this championship may be subjected to drug tests in accordance with NCAA Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing are initially eligible for this championship; and thereafter, student-athletes who are tested shall remain eligible only if they test negative.

## Hosting Institutions (Preliminary Rounds)

Hosting institutions are required to videotape each match and provide a copy of each institution’s respective matches.

## Lodging

The host institution shall arrange for 22 nonsmoking double/double rooms for each traveling team in all rounds of competition and advise them of the arrangements. Each competing institution is obligated to confirm or cancel the accommodations. The selection of a host institution may be dependent on availability and quality of rooms for participating institutions.

An institution is not obligated to stay at the designated property; however, it is responsible for canceling its reservations and then securing its own accommodations. If an institution prefers to stay in another hotel, it must: (1) Obtain a release for the rooms from the hotel manager; or (2) Use the rooms for persons accompanying the official traveling party. The competing institution is responsible for the first night’s room charges even if it fails to use those rooms.

If an institution fails to make satisfactory arrangements for use of rooms with the hotel, full charges for the rooms will be billed to the institution. The tournament manager of the host institution is to be advised of the plans of each institution sufficiently before the competition.

## Media Arrangements

*[Reference: Publicity and Program Material in the Division I General Section.]*

**Media Credentials.** The NCAA shall control the issuance of media credentials for each of its championships. Subject to limitations of space, media credentials shall be assigned in accordance with the following priorities: (1) campus media certified by the director of athletics and/or sports information director of each participating and host institution, (2) certified media from the immediate locale of the championship or the immediate locale of the competing teams, and (3) other certified media.

Credentials will not be issued to representatives of any organization that regularly publishes, broadcasts or otherwise promotes the advertising of “tout sheets” or “tip sheets” or other advertising designed to encourage gambling on college sports events. In addition, credentials will not be issued to representatives of telephone reporting services and professional sports organizations.

Other conditions for obtaining media credentials may be implemented, based on the circumstances at the championship site. These conditions must be approved before the competition by the respective national office staff liaison.

**Microphones.** The placement of microphones on a team coach or in team huddles and bench areas is prohibited at all NCAA championships.

**Postcompetition Interviews.** Immediately after a 10-minute cooling-off period (e.g., 10 minutes after a competing team enters its dressing room), an interview area will open to all certified members of the news media; any coach and student-athletes requested by the media will be available for interviews. The losing team shall precede the winning team in the postcompetition interviews. The only exception is the first semifinal game when the winning team shall precede the losing team. If a team or individual is participating in an awards ceremony, the cooling-off period will begin immediately after the presentation.

Regardless of any regular-season radio or television contract(s), the coach is obligated to the entire covering media during the championship and must report to the interview room immediately after the 10-minute cooling-off period. The coach cannot delay a postcompetition interview with the entire covering media to conduct a program for a single newspaper, radio or television reporter unless requested to remain for a short interview (not to exceed four minutes) by the television entity that has been granted television rights by the NCAA.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period. They may, however, open their dressing rooms and/or report to the interview area before the cooling-off period ends, and make themselves available to all media representatives staffing the championship. Should a coach permit one media agency to enter the dressing room before the 10-minute cooling-off period has ended, the dressing room shall be opened to all other

media representatives desiring access to the area. The NCAA championships have an “open locker room policy,” which is administered by the media coordinator on site.

## Meetings

*[Reference: Misconduct in the Division I General Section, and Bylaws 31.2.3 and 31.1.10 in the NCAA Division I Manual.]*

A mandatory meeting of the head coaches of the competing teams, officials and games committee shall be held before each tournament session to review playing rules, pregame meeting agenda and any other administrative matters that may be necessary. The NCAA site representative shall conduct a pregame meeting to acquaint the head coaches of the competing teams with the provisions of Bylaw 31.1.8, which prescribes conditions under which a student-athlete or representative of an institution may be disqualified from further participation in the competition for reasons of misconduct. At the semifinals and final, attendance by the head coach and an institution’s designated administrative representative at the coaches meeting is mandatory, subject to the assessment of a financial penalty and/or other sanctions as defined under NCAA misconduct provisions.

A representative of the host institution (other than a competing coach) must be present at all meetings (including those at preliminary-round games); in the absence of a member or representative of the women’s soccer committee, the NCAA site representative shall conduct the meetings. The host institution shall advise competing teams of the time and site for each meeting in advance by e-mail correspondence.

## Merchandise

Teams selected to participate in NCAA championships will be given the opportunity to preorder preliminary round event merchandise online through the official NCAA souvenir merchandiser, Event 1, Inc. Upon selection, teams will be given the information to place orders. These team orders will be shipped directly to the institution the week after preliminary round competition. Questions regarding the online team ordering process may be directed to Event 1 at 888/745-3058.

## National Anthem

The national anthem shall be played before each tournament session.

## News, Media, Press Conferences and Satellite Feeds

Please refer to the NCAA Broadcast Manual policies and guidelines that can be found at [www.NCAA.com/broadcast](http://www.NCAA.com/broadcast).

## Official Traveling Party

*[Reference: Per Diem and Transportation in the Division I General Section.]*

Please refer to the NCAA Travel and policies for all information regarding transportation and per diem expenses. Travel policies can be found online at [http://www.ncaa.org/wps/myportal/ncaahome?WCM\\_GLOBAL\\_CONTEXT=/ncaa/ncaa/sports+and+championship/general+information/travel/index.html](http://www.ncaa.org/wps/myportal/ncaahome?WCM_GLOBAL_CONTEXT=/ncaa/ncaa/sports+and+championship/general+information/travel/index.html). The official traveling party is 28.

## Officials

**Policies and Selection of Officials.** For the Division I women's soccer championship, an official is required to work a minimum of six regular-season Division I soccer games in order to be eligible to work any round(s) of the championship. For Division I women's games, the referee will not be assigned to a game if it involves an institution he or she attended, was or is an employee of, or if any of his or her relatives have any of these affiliations.

A sports committee or games committee may not require membership in any specific officials' association as a prerequisite for selection to officiate in an NCAA meet or tournament. Officials shall be selected and assigned by the sports committee or games committee, which shall ensure that officials adhere to the Association's policies relating to gambling activities and drug and alcohol use. Furthermore, officials must conduct themselves in a manner befitting intercollegiate athletics. Failure to do so may result in termination of the officiating assignment. Officials for all NCAA post season games shall be appointed by the women's soccer committee in conjunction with the NCAA national (and regional) coordinator for officials using a comprehensive list based on input from the regional advisory committees, conferences and other officiating organizations.

Officials for preliminary rounds must be within driving distance of the host site (400 miles one way). (Note: The committee does have an exception for the referee only for quarterfinal games, if warranted.)

**Alternate Official.** For preliminary-round games, an alternate official from the local area shall be assigned to assist at the scorer's table, facilitate player substitution and, at the discretion of the referee (in accordance with the NCAA Men's and Women's Soccer Rules), replace a field official in the event of injury.

**System.** The diagonal system of control (three officials) will be used to officiate all tournament games. Officials are to dress alike and should wear shirts whose color is in contrast to the colors worn by the competing teams. At the Women's College Cup, one official will be assigned to each bench and one official will be designated as the alternate official.

**Uniform Patch.** Game officials shall wear an NCAA patch on their uniforms or jackets while officiating during NCAA tournament play. No other patches will be permitted. The patches will be sent to each site.

**Dressing Room.** Only the game officials assigned to a tournament contest, designated representatives of the soccer committee and the tournament director will be permitted in the officials' dressing room before, during or after a game, as needed.

**Fees.** Fees shall be as follows per game: referee—\$240; assistant referees—\$160; alternate officials—\$100. The flat fee for officials assigned to the Women's College Cup is \$600.

**Expense Reimbursement.** Officials, including the alternate official, assigned to first-, second-, third- and quarterfinal-round games shall receive ground transportation expenses based on 50 cents per mile. Officials for Women's College Cup games only may be reimbursed for air travel, not to exceed jet coach air fare. If an official must fly, travel arrangements must be made through the NCAA travel service at Short's Travel

Management, 866/821-8547. Hotel expenses (excluding incidentals) for officials required to stay overnight at the championship site shall be paid by the host institution and later reimbursed by the NCAA. Officials, including the alternate official, will receive \$45 per diem for meals and incidentals on each day of the championship, beginning with the day of arrival and ending with the day of departure. Officials not required to remain overnight at the site also shall receive \$45 per diem. Alternate officials receive a \$100 game fee unless that official substitutes for one of the game officials. Then, the alternate receives the fee of the replaced official.

## Player Introductions

It is required that the following format be used in NCAA tournament games:

At the Women's College Cup, all student-athletes within the bench limitation of 22 individuals shall be announced. For all preliminary-round games, only the starters shall be announced.

## Practice

The opposing teams shall be allowed at least a one-hour closed practice on the day before the game on the field of which their game will be played (weather permitting). The NCAA site representative shall confirm practice schedules and resolve any disputes. If the field is not available for both teams, neither team shall practice on the game field.

## Pregame Schedule

Host institutions should follow the pregame schedules listed in Appendix D.

## Pregame Warm-up

Teams shall warm up with a maximum of 22 players. Nonparticipating players (those above the maximum) shall not participate in the pregame warm-up.

## Programs

## Advertising

Each program will include NCAA corporate champion and partner advertising. Additionally, programs may include non-competing national ads as well as local ads. All ads must follow NCAA advertising guidelines and are subject to NCAA approval.

### Editorial

If you are interested in the specific content of the program you will receive, please contact Doug Iler (502/459-4346; [doug.iler@imgworld.com](mailto:doug.iler@imgworld.com)).

Generally, programs include the following:

1. Participant information - IMG College will request information, including rosters, schedule/results, photos, school quick facts and logos. If your team is eligible for postseason selection, please send all materials that are requested by the date requested. Programs print on the day selections for the championship are announced. If you are not sure what/when materials are needed, please contact Mr. Iler at IMG College.
2. Programs for predetermined sites will include information on the host institution, host city and/or host facility. In addition, some programs provide complimentary advertising space. ### Program Supplements and Update Sheets

Host institutions for single-day/session championship rounds may choose to supplement the program with additional information (e.g., updated statistics or updated game notes) pertaining to the event at its site that day. The cost of producing these supplements will be covered by the host institution and will not be expensed to the NCAA or IMG College, the content must be approved by IMG College prior to the event and the supplements must be distributed inside and as a part of the program. The cost of the program cannot be raised as a result of the supplement. Once all programs have been sold, these supplements may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the supplements. If supplements are distributed, please mail two samples of each supplement following the conclusion of the championship event to Doug Iler (IMG College, 904 North Broadway, Lexington, KY 40505, ATTN: Doug Iler).

For championships that have multiple sessions, matches, events or days, host institutions may choose or be required by the NCAA to produce update sheets (e.g., heat sheets, lane assignments, pairings). IMG College will contact hosts of those championships in advance of their events to discuss projected quantities and the paper on which update sheets should be printed. The cost of producing the update sheets will be covered by the host institution and not be expensed to the NCAA or IMG College.

The first update sheet of the event should be distributed inside and as a part of the program. Subsequent update sheets complement the program and are to be redeemed only with a coupon from the program. The cost of the program cannot be raised as a result of the update sheet. Once all programs have been sold, update sheets may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution.
