Introduction

During the 2010-11 academic year, the Association will sponsor 88 national championships, of which 41 are for men, 44 are for women, and three are for both men and women. Among the men’s championships, three are National Collegiate Championships, 13 are Division I championships, 12 are Division II championships and 13 are Division III championships. Among the women’s championships, four are National Collegiate Championships, 13 are Division I championships, 13 are Division II championships and 14 are Division III championships. The combined men’s and women’s championships are National Collegiate Championships.

A championships handbook is produced for each NCAA championship and posted on the NCAA Online Web site (www.ncaa.org).

How to Use This Publication. The handbook is divided into four sections: (1) General Administration; (2) Determination of Competing Institutions; (3) Instructions to Participants; and (4) General Championship Information. The first three sections pertain only to the respective sport, while the fourth deals with NCAA policies applicable to all 88 championships. [Note: Some policies listed in the general section have been revised by individual sports committees. The revision(s) will appear in the sport-specific section of the handbook.]

Each topic included in the handbook is referenced to other applicable areas in the handbook or in the NCAA Manual, where appropriate. For example, if you wish to know about regional advisory committees, the basic information for that particular sport would be included in the handbook. However, as referenced under the heading “Regional Advisory Committees,” more information concerning general NCAA policies governing regional advisory committees can be found in the NCAA Division II Manual.

[NCAA Championships Policy Related to Sports Wagering. No predetermined or non-predetermined session of an NCAA championship may be conducted in a state with legal wagering that is based on single-game betting on the outcome of any event (i.e., high school, college or professional) in a sport in which the NCAA conducts a championship.

Determination of Participants

Championships Structure

The championships shall consist of team-only championships. Tournaments shall be conducted according to the formats approved by the committee. All matches shall be played outdoors, weather permitting, as determined by the head referee and games committee.

The team championships shall comprise a maximum of 48 teams per gender. The teams will play a single-elimination tournament at tentatively 16 regional sites (two to five teams at each site) and the finals site (16-team bracket) to determine the national champion. The matches shall be regulation dual matches (three eight-game, pro-set doubles played for one team point each, followed by six singles matches, each valued at one team point, played best of three sets). Regular scoring and a 12-point tiebreaker at eight games all in doubles and at six games all in singles will be used.

Preliminary-round matches may be completed after a team winner is determined if both head coaches agree and games committee approval is obtained. The games committee reserves the right to stop a match in the best interest of the administration of the tournament. If the aforementioned information is not met, the match is deemed over once one team reaches five points. Finals matches shall not be completed after a winner is determined.

The championships will use the following schedule of competition:
- Wednesday, May 11—Eight matches
- Thursday, May 12—Quarterfinals
- Friday, May 13—Semifinals
- Saturday, May 14—Finals

Selection Criteria

[Reference: Bylaws 31.01.2, 31.01.3, 31.02.4 and 31.3 in the NCAA Manual.]

Selection Requirements

To be considered during the at-large selection process, a team must have an overall Division II won-lost-record of .500 or better and at least four available competing student-athletes.

Bylaw 31.3.3.1 – Countable Competition.

For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.4) of four-year, degree-granting institutions located in Canada and the United States, its territories or possessions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

Selection Criteria

The following criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition [Bylaw 31.3.3; Criteria for Selection of Participants]:
- Won-lost record;
- Strength of schedule;
- Availability of student-athletes for NCAA championships; and
- Nullification.

In addition to Bylaw 31.3.3, the NCAA Division II Men’s and Women’s Tennis Committee has received approval from the Division II Championships Committee to consider the following criteria in the selection of at-large teams for the NCAA Division II Men’s and Women’s Tennis Championships (not necessarily in priority order):

Primary Criteria

- Head-to-head competition.
- Results versus common opponents.
- Overall Division II strength-of-schedule (opponents’ average winning percentage and opponents’ opponents’ average winning percentage). See Appendix F for an explanation.
- In-region Division II won-lost results.
- Overall Division II won-lost results.
- Late season performance (last three matches including the conference tournament, if applicable).
- Results versus teams under consideration (including automatic qualification teams and teams that are ranked at the time of selections).

Secondary Criteria

If the evaluation of the primary criteria does not result in a decision, the secondary criterion will be reviewed.
- In-region out-of-conference results.

Additionally, input is provided by regional advisory committees for consideration by the NCAA Division II Men’s and Women’s Tennis Committee. Effective for the 2011 championships, all Division II sports committees are no longer required to conduct a follow-up call with all respective regional advisory committee members in a given region before making a final decision during the selection call. The national committee must notify the respective regional advisory committee members of the changes prior to public release. Notification may be sent via e-mail. Coaches’ polls and/or any other outside polls or rankings are not used as a selection criterion by the tennis committee for selection purposes.

Selection Procedures

Teams from institutions that have failed to adhere to the entry/lineup and result-reporting procedures outlined in this handbook may not be considered for selection to the championships.
A maximum of 48 teams will play a single-elimination tournament at tentatively 16 preliminary-round tournaments to determine the 16-team field. There will be 15 conferences that will receive automatic qualification. The remaining 33 teams will be selected on an at-large basis. Each of the following eight regions will tentatively conduct two preliminary-round tournaments: Atlantic; Central; East; Midwest; South; South Central; Southeast; and the West.

The national committee will select and seed between two and nine teams from each of the eight regions on April 26, 2011. Bid allocations per region are based on sponsorship in the respective regions. For the 2011 championship, bid allocations are:

Championships Information

Substitution. In team competition, if a player is injured during the pro-set doubles and that player is in the singles lineup, substitutions may be made for singles play, but the lineup must follow the order of ranking submitted on the lineup form. A coach may revise the doubles combinations but must keep them in order of strength. Again, the games committee has the right to review this change and, if necessary, overrule the coach’s decision.

Seeding

The committee will seed the teams for the 2011 championships. For preliminary-round play, all teams will be seeded. There will be no re-seeding once the championships begin.

In the two- to four-team preliminary-round tournaments, matches will take place either Sunday-Monday, May 1-2, or Monday-Tuesday, May 2-3: five-team tournaments will take place over three days, May 1-3.

In the two-team tournaments, a single match will be contested to determine the team that will advance to the national championships. The tournament director, in conjunction with the regional chair, shall determine the day and time of the match to take place on May 1, 2 or 3.

In the three-team tournaments, matches will take place as follows:
- First Day: No. 2 vs. No. 3
- Second Day: No. 1 vs. winner of first day

In the four-team tournaments, matches will take place as follows:
- First Day: Match 1: No. 1 vs. No. 4
- Match 2: No. 2 vs. No. 3
- Second Day: Winner of Match 1 vs. winner of Match 2

In the five-team tournaments, matches will take place as follows:
- First Day: Match 1: No. 4 vs. No. 5
- Second Day: Match 2: No. 2 vs. No. 3
- Match 3: Winner Match 1 vs. No. 1
- Third Day: Winner of Match 2 vs. winner of Match 3

The preliminary-round tournament director must have approval from the regional chair on all match times. The committee reserves the right to set match times, if necessary.

(See Appendix A for tournament brackets.)

The games committee shall attempt to prevent teams from the same region from competing against each other in the first round at the finals site.
Certification of Eligibility/Availability
[Reference: Certification of Eligibility/Availability in the General Section and Constitution 3.2.4 and Bylaw 31.2.1.7 in the NCAA Manual]

Only student-athletes eligible under Bylaws 12, 13, 14, 15 and 16 may compete in NCAA championships. In accordance with Constitution 3.2.4, member institutions are required to certify the eligibility of their student-athletes before each academic year and to withhold ineligible student-athletes from all intercollegiate competition. Member institutions are reminded to notify the NCAA national office before the selection date for each championship of any student-athlete who may have participated in regular-season competition but subsequently is determined to be ineligible or unavailable for NCAA championship competition.

The championship manager must be notified before April 24.

Instructions to Participants

Audio Coverage (Radio and Internet)

Please refer to the NCAA Broadcast Manual policies and guidelines that are located online at http://www.ncaa.org/wps/ncaa?ContentID=38007.

Attendance

Please note that in determining the attendance figures to announce for each session of the championship, this number should be derived based on paid attendance. The paid attendance figures are also what should be listed on the online proposed budget and final financial report. If no paid attendance is collected, the host institution/conference should provide an estimated attendance figure. The host institution/conference has the option to provide a “turnstile” count [e.g., 1,078 paid attendance (903 turnstile attendance)].

Awards
[Reference: Awards in the Division II General Section and Bylaw 31.1.10 in the NCAA Manual]

A team trophy and nine individual awards will be presented to the top four teams. Participation awards will be presented to a maximum of eight student-athletes (i.e., squad size) competing or in uniform in the championships who are not members of the top four teams. The awards for all teams not advancing to the round of 16 will be shipped to the preliminary-round tournament directors for distribution, while those teams advancing to the finals site, but not participating in the semifinals, will receive their participant awards in Altamonte Springs, Florida.

Balls

Wilson (US Open Heavy Duty) is the official ball of the NCAA tennis championships and will be used during all rounds of competition. Balls will be shipped directly to the tournament directors at each site immediately after the selection announcement.

During competition, balls shall be changed after the second set in a match. Practice balls must be provided by the competing teams or individuals.

Cheerleaders, Mascots and Bands

Cheerleaders and/or dance team members, not to exceed 12 in number, plus the mascot shall be admitted, if in uniform, via the gate list furnished to the host institution by the competing institution’s director of athletics; all other institutional representatives will be admitted only upon presentation of a ticket. The cheerleaders shall be seated in an area designated by the tournament director.

All cheerleading squads must conform to the guidelines set by the American Association of Cheerleading Coaches and Advisors (AACCA). This includes all guidelines and prohibitions pertaining to partner stunts in indoor facilities. Neither the NCAA nor the host institution shall be responsible for supervising or monitoring
Coaching and Playing—Court Restrictions

Men’s and Women’s Finals
—Team championship: 4:45 p.m., Tuesday, May 10.

Men’s and Women’s Preliminary Rounds
—Tournaments that begin Sunday should conduct their meetings 7 p.m., Saturday; tournaments that begin Monday should conduct their meetings 7 p.m., Sunday.

Coaches Meetings (Men and Women)
[Reference: Misconduct in the Division II General Section and Bylaws 31.02.3 and 31.1.8 in the NCAA Manual.]

Coaches meetings will be conducted at the championships site to discuss the administration of the championships and other pertinent items. These meetings will include information on the provisions of Bylaw 31.1.8, which prescribes conditions under which a student-athlete or representative of an institution may be disqualified from further participation in the championships for reasons of misconduct. The coach or the official designated representative from each institution must attend the meeting. Failure to do so may result in a $100 fine. Competing student-athletes will not be permitted to attend the coaches meetings. Following are the times of the meetings:

Men’s and Women’s Preliminary Rounds—Tournaments that begin Sunday should conduct their meetings 7 p.m., Saturday; tournaments that begin Monday should conduct their meetings 7 p.m., Sunday.

Men’s and Women’s Finals—Team championship: 4:45 p.m., Tuesday, May 10.

Coaching and Playing—Court Restrictions

Men’s Championships

Coaching by the head coach or one designated assistant coach, who shall be approved by the institution, will be permitted at the championships, provided it does not interfere with play. If there is no assistant, a student-athlete not participating in that match may serve as an assistant. These are the only individuals who will be permitted to coach. For the team championship, these individuals shall be designated when the team lineup is submitted. Coaches may be redesignated before the singles or doubles matches. Only one coach may coach on the court at one time.

No one other than the participants will be allowed on the playing court or on an adjacent court, except in case of injury or illness. A coach or designated assistant coach may sit (or stand, if the facilities dictate) near the net post. A coach may change courts only when his or her movement will not interrupt play. Coaching is permitted by coaches standing anywhere outside the fence surrounding the court, as long as this does not distract the other player during a point. Coaches may coach on the playing area only during a changeover.

Women’s Championships

In the championships, each head coach will be permitted to designate two assistant coaches, including student-athletes. These individuals must be designated on the lineup sheet before each match. Head coaches must be able to verify that the designated assistant coach is recognized by the institution. Coaching is permitted by coaches and student-athletes; however, only one individual may coach on a court at one time. Coaches will not be permitted to use electronic devices to communicate with one another or student-athletes.

Court Scheduling

In any team championship, the home team’s matches are considered feature matches and may be assigned accordingly. Top-seeded teams may be given preference.

Defaults

All matches will be scheduled at definite times. Any player not ready to play after the match is called is subject to the United States Tennis Association (USTA) penalty for delay of match. (Refer to the USTA rules book “Friend at Court.”)

Any player who acts in any way that is not in the best interest of the game also may be defaulted. Additionally, misconduct by a coach will result in a first warning, and further misconduct will warrant removal from the match. This decision will be made by the head referee and/or games committee.

Draw

The draw at the finals site will be determined during the selection process. Inter-regional matchups will begin with the round of 16 (in maximum pods of four) based on seeding within each region (e.g., lower seed in Region A versus top seed in Region E; lower seed in Region D versus top seed in Region F; and so on). Teams from the same region will not be placed in the same quadrant. As the draw will be established during the selection process, the former rotational format has been eliminated.

Drug Testing

[Reference: Drug Testing in the Division II General Section and Bylaws 18.4.1.5 and 31.2.3 in the NCAA Manual.]

Student-athletes who compete in these championships may be subjected to drug tests in accordance with Bylaws 18.4.1.5 and 31.2.3, and may be determined to be ineligible as a result thereof. Only student-athletes who have consented in writing to such testing initially are eligible for these championships; and, thereafter, student-athletes who are tested shall remain eligible only if they test negative.
Lodging and Tournament Information

Information regarding the championships finals shall be provided by the host institution at least two months before the championships. The host institution will make reservations for the competing teams and advise them of the arrangements. Participating institutions are responsible for the rooms reserved by the host institution for the championships. Each competing institution is obligated to confirm or cancel the accommodations 72 hours before the start of the championships. An institution is not obligated to stay at the designated property; however, it is responsible for canceling its reservations and then securing its own accommodations. If an institution prefers to stay in another hotel, it must do the following:

1. Obtain a release for the rooms in writing from the hotel's general manager; or
2. Use the rooms for persons accompanying the official traveling party. In either case, the institution is responsible for securing arrangements at another property. The competing institution is responsible for the first night's room charges even if it fails to use those rooms. If an institution fails to make satisfactory arrangements for use of rooms at the assigned hotel, full charges for the rooms will be billed to the institution.

The tournament director of the host institution is to be advised of the plans of each institution sufficiently before the competition.

Media Arrangements

[Reference: Publicity and Program Material in the Division II General Section.]

All requests for working media credentials shall be made in writing to the host media coordinator. Working credentials shall not be mailed.

Media Credentials. The NCAA shall control the issuance of media credentials for each of its championships. Subject to limitations of space, media credentials shall be assigned in accordance with the following priorities: (1) campus media certified by the director of athletics and/or sports information director of each participating and host institution, (2) certified media from the immediate locale of the championship or the immediate locale of the competing teams, and (3) other certified media.

Credentials will not be issued to representatives of any organization that regularly publishes, broadcasts or otherwise promotes the advertising of “tout sheets” or “tip sheets” or other advertising designed to encourage gambling on college sports events. In addition, credentials will not be issued to representatives of telephone reporting services and professional sports organizations.

Other conditions for obtaining media credentials may be implemented, based on the circumstances at the championships site. These conditions must be approved before the competition by Mark Bedics, associate director of media coordination and championships, NCAA, P.O. Box 6222, Indianapolis, Indiana 46206-6222 (317/917-6222).

Microphones. The placement of microphones on a team coach or in team huddles and bench areas is prohibited.

Postcompetition Interviews. Immediately after a 10-minute cooling-off period (i.e., 10 minutes after a competing team or individual completes a match), an interview area will open to all certified members of the news media; any coach and student-athletes requested by the media will be available for interviews. If a team or individual is participating in an awards ceremony, the cooling-off period will begin immediately after the presentation.

Regardless of any regular-season radio or television contract(s), the head coach is obligated to the entire covering media during the championships and must report to the interview room immediately after the 10-minute cooling-off period. The head coach cannot delay a postcompetition interview with the covering media to conduct a program for a single newspaper, radio or television reporter unless requested to remain for a short interview (not to exceed four minutes) by the television entity that has been granted television rights by the NCAA, if applicable.

Coaches cannot make themselves available to selected media representatives before the conclusion of the 10-minute cooling-off period. They may, however, report to the interview area before the cooling-off period ends, and make themselves available to all media representatives staffing the championships.

Merchandise

Teams selected to participate in NCAA championships will have the opportunity to preorder preliminary-round event merchandise online through the official NCAA souvenir merchandiser, Event 1, Inc. After selection, teams will receive instructions for placing orders. All orders will be shipped directly to the institution the week after preliminary-round competition. In addition, teams advancing to the finals site will receive a second notification regarding the opportunity to purchase championship merchandise online. All orders will be shipped directly to the institution the week after the finals. Questions regarding the online team ordering process may be directed to Gina Taylor at Event 1 at 888/745-3058.

Official NCAA merchandise will also be available for purchase at all competition sites.

Misconduct

[Reference: Misconduct in the General Section, and Bylaw 31.1.8 in the NCAA Manual.]

Misconduct means any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championships that discredits the event or intercollegiate athletics.

Remind each institution that public criticism of officials may subject the individual, institution or conference to the misconduct provisions.

The games committee is authorized to (1) reprimand publicly or privately, (2) disqualify from future participation and/or (3) ban from subsequent competition a student-athlete or representative of the institution who is guilty of misconduct at any time during the championships.

Please refer to the NCAA Broadcast Manual policies and guidelines that are located online at http://www.ncaa.org/wps/ncaa?ContentID=38007.

 Officials

A sports committee or games committee may not require membership in any specific officials’ association as a prerequisite for selection to officiate in an NCAA meet or tournament; however, all officials must be certified. Officials shall be selected and assigned by the sports committee or games committee, which shall ensure that officials adhere to the Association’s policies relating to gambling activities and drug and alcohol use. Furthermore, officials must conduct themselves in a manner befitting intercollegiate athletics. Failure to do so may result in termination of the officiating assignment.

One head referee shall be hired for each championship subject to the approval of the tennis committee. The referee’s responsibilities, in consultation with the tennis committee, shall include the following:

1. Ensuring that the championships are conducted according to the rules of the USTA and ITA, with modifications approved by the NCAA Division II Men’s and Women’s Tennis Committee;
2. Ruling on defaults, whether having to do with tardiness or improper conduct;
3. Helping to schedule matches and terminate play due to weather or darkness;
4. Assisting with the draw; and
5. Rendering decisions necessary to ensure the proper conduct and operation of the championships.

For the preliminary-round tournaments, the head referee and assistant referee shall be paid according to the local association’s current fees, not to exceed $150 for the head referee per day and $100 for the assistant referee per day. All preliminary-round sites shall have a head referee and an assistant referee.

For the championship finals, the head referee will be paid a fee of $1,100. In addition to the fee for the head referee, $5,100 has been allocated to acquire a sufficient number of umpires and lines persons to assist in the conduct of the championships.

The appointment of the head referee shall be approved by the men’s and women’s tennis committee.

The travel allowance will be 50 cents per mile, not including terminal or other local transportation. The hotel expenses for officials required to remain overnight at the site also shall receive $45 per diem.

While officiating, officials should be dressed in appropriate attire void of blatant commercialism. This includes hats, visors, warm-ups, etc., that have large logos, obvious advertisements or printing on them. Failure to conform to this policy will disqualify the officials from officiating at the NCAA championships.

Player Appeals

A player may request lines persons, who will be provided if available. Play will continue within five minutes while attempts are being made to obtain a lines person.

A player or coach may request a foot-fault judge. A player cannot call a foot fault on an opponent. Foot faults shall be enforced strictly during all championships competition.

Playing Rules

[Reference: Bylaws 17.30 and 31.1.6 in the NCAA Manual.]

Per Bylaw 17.30, member institutions shall conduct all of their intercollegiate competition in accordance with the playing rules of the Association in all sports for which the NCAA develops playing rules. For those sports in which the Association follows rules that are developed by other governing bodies and modified by the governing sports committee, the adopted playing rules shall be used. The governing sports committee will not consider any results for selection purposes that are not played in accordance with NCAA rules, or those rules adopted by an outside organization.

The USTA and ITA rules will be followed, unless superseded by modifications adopted by the NCAA Division II Men’s and Women’s Tennis Committee. The committee has adopted the following modifications:

1. Changes in the lineup for reasons other than injury or illness must be requested two hours before the scheduled start of the match to the chair of the games committee. The games committee has the right to review and, if necessary, overrule a coach’s decision regarding a lineup change, based on the ability of the players and the matches during the last half of the season.
2. The Intercollegiate Tennis Association carry-over rules will be in effect for the entire championships period (both team and individual). Penalties may be carried over to the institution’s next match. The ITA carry-over rule will commence with the preliminary-round tournaments. Penalties may be carried over from preliminary-round sites to the institution’s or individual’s next match at the finals site.

Practice Facilities

The host institution shall provide practice facilities and monitor a sign-up system throughout the tournament. Each coach shall be responsible for signing up his or her team or individuals for practice times.

Practice schedules should be rotated, whenever possible, to allow participants in the championships to practice on each battery of courts.

For the men’s and women’s championships, practice will not be allowed on the competition courts until one day before the championships. The host institution’s team will be exempt from this policy, provided the championships are conducted on the institution’s home courts.

Programs

[Reference: Advertising in the Division II General Section and Bylaws 31.1.12.1 and 31.6.3 in the NCAA Manual.]
IMG College will be responsible for all program production including layout and design, advertising, printing, vending and distribution to the championship sites. No competing publications, whether sold or free of charge, are permitted at NCAA events without prior permission of the NCAA and IMG College. The championship host should not include expenses or revenues for programs in the championship budget and/or financial report. All program contents are subject to NCAA approval.

**Advertising.** Each program will include NCAA corporate champion and partner advertising. Additionally, programs may include non-competing national advertisements as well as local advertisements. All advertisements must follow NCAA advertising guidelines and are subject to NCAA approval. If your institution would like to sell advertising into the official program or you know of an individual who would like to serve as a local advertising representative, please contact Doug Iler (502/459-4346; doug.iler@imgworld.com) for information regarding rates, availability and deadlines.

**Editorial.** If you are interested in the specific content of the program you will receive, please contact Chad Laytham (chad.laytham@imgworld.com; 859/226-4511).

Generally, programs include the following:
1. Participant information - IMG College will request information, including rosters, schedule/results, photos, school quick facts and logos. If your team is eligible for postseason selection, please send all materials that are requested by the date requested. Programs print on the day selections for the championship are announced. If materials are not on file, your school’s information will not be included. IMG College will attempt to provide proofs for SID approval when time permits. If you are not sure what/when materials are needed, please contact Mr. Laytham at IMG College.

2. Programs for predetermined sites will include information on the host institution, host city and/or host facility. In addition, some programs provide complimentary advertising space. IMG College will contact via e-mail the tournament director and sports information contacts, as listed on the key contact sheets submitted to the NCAA, with the specifics of what items are needed and when those items are due. Host institution pages are subject to NCAA approval.

3. Event-specific historical information, including past champions, records, all-tournament teams and/or the previous year’s recap.

4. Information on the NCAA, including the sport committee.

5. Feature stories - Not all programs include event/sport-specific features. However, if you have an idea for a feature story, please submit it to Mr. Laytham at IMG College.

**Program Supplements and Update Sheets.** Host institutions for single-day/session championship rounds may choose to supplement the program with additional information (e.g., updated statistics or updated game notes) pertaining to the event at its site that day. The cost of producing these supplements will be covered by the host institution and will not be expensed to the NCAA or IMG College, the content must be approved by IMG College prior to the event and the supplements must be distributed inside and as a part of the program. The cost of the program cannot be raised as a result of the supplement. Once all programs have been sold, these supplements may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the supplements. If supplements are distributed, following the conclusion of the championship event, please mail two samples of each supplement to Chad Laytham (IMG College, 904 North Broadway, Lexington, Kentucky 40505).

For championships that have multiple sessions, matches, events or days, host institutions may choose or be required by the NCAA to produce update sheets (e.g., heat sheets, lane assignments, pairings). IMG College will contact hosts of those championships in advance of their events to discuss projected quantities and the paper on which update sheets should be printed. The cost of producing the update sheets will be covered by the host institution and not be expensed to the NCAA or IMG College. The first update sheet of the event should be distributed inside and as a part of the program. Subsequent update sheets complement the program and are to be redeemed only with a coupon from the program. The cost of the program cannot be raised as a result of the update sheet. Once all programs have been sold, update sheets may be given away or sold at the discretion of the host institution, with all potential revenue for such remaining with the host institution. No advertising of any kind may be sold or placed on the update sheets. If update sheets are distributed, following the conclusion of the championship event, please mail two samples of each update sheet to Mr. Laytham (IMG College, 904 North Broadway, Lexington, Kentucky 40505).

If a host institution would like to supplement the program with additional information, or has a question about the update sheets, please contact Matt Briggs at IMG College (859/226-4556; matthew.briggs@imgworld.com).

Travel Party
[Reference: Per Diem and Transportation in the Division II General Section and Bylaw 31.1.5 in the NCAA Manual.]

The travel parties for the men’s and women’s championships shall comprise a maximum of eight players plus one non-athlete for each institution represented.

Please refer to the NCAA Travel policies for all information regarding transportation and per diem expenses. Travel policies are located on the NCAA website at http://www.ncaa.org/wps/ncaa?key=ncaa/ncaa/sports+and+championship/general+information/travel/index.html

Uniforms
[Reference: Bylaw 12.5.4 in the NCAA Manual.]

The NCAA Division II Men’s and Women’s Tennis Committee places special emphasis on the NCAA uniform and logo policies for the 2010-11 season. All competing members of a team shall wear the same style and color institutional uniform at the start of a match. If changing apparel during a match, uniform tops and bottoms of each team member shall be of the same color, preferably the same likeness in markings. Further, all competitors should wear exclusively the official uniform of their institution during warm-up for competition, interviews and the awards ceremonies. Apparel bearing professional sports team logos are prohibited.

Logos. An institution’s official uniform and all other items of apparel (e.g., socks, headbands, T-shirts, wristbands, visors or hats, and towels) that are worn by student-athletes in competition may bear a single manufacturer’s or distributor’s normal trademark, not to exceed 2 1/4 square inches, including any additional material (e.g., patch) surrounding the normal trademark or logo. The logo or trademark must be contained within a four-sided geometrical figure (i.e., rectangle, square, parallelogram).

In addition, an institution’s official uniform cannot bear a design element similar to the manufacturer’s that is in addition to another logo or that is contrary to the size restriction.

A student-athlete representing an institution in intercollegiate competition is limited to wearing apparel items that include only the logo (not to exceed 2 1/4 square inches) of an apparel manufacturer or distributor. The student-athlete may not wear any apparel that identifies any other entity, other than the student-athlete’s institution.
These restrictions apply to all apparel worn by student-athletes during the conduct of competition, which includes any pre-match or post-match activities.

This bylaw will be strictly enforced at all NCAA championships and the names of individuals and institutions that are not in compliance with this bylaw shall be forwarded to the NCAA enforcement staff.

It should also be noted that the acceptance of athletics equipment and clothing from a manufacturer or commercial enterprise may jeopardize a student-athlete’s eligibility according to Bylaw 12.5.4. Matches will not be delayed to conform to this policy.

[Note: The above policies will be in effect at all times during the championships, including all practice times.]

**Videotapes, Films and Still Photographs**

[Reference: Bylaw 31.6.4.3 in the NCAA Manual.]

Institutions are permitted to videotape championships competition by their teams or their individual student-athletes for archival, coaching or instructional purposes. Each institution is permitted to use one camera per court and may videotape only that portion of the competition in which it participates. The videotapes may not be used for any commercial purposes. An institutional representative shall contact the event coordinator at the host site to arrange for camera space at that site.

**Warm-up**

Players will have a maximum of five minutes for warm-up before a match. However, if the teams have not been able to take their 30-minute warm-up before the start of the team match, a 10-minute warm-up is permitted. The umpire is the timekeeper.

On the day of a match, the practice/warm-up of a participating team takes priority over practice of all other teams and individuals.

Calculation Explanation

**Opponents’ Average Winning Percentage (OWP).** Take each opponent’s regular won-lost percentage against other Division II teams (excluding the results against the team in question) and average the percentages.

To calculate: Team A Schedule is as follows:

<table>
<thead>
<tr>
<th>Opponent</th>
<th>Record</th>
<th>vs Team A</th>
<th>Revised Record</th>
<th>Revised W-L Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Team B</td>
<td>21-7</td>
<td>0-1</td>
<td>21-6</td>
<td>.7778</td>
</tr>
<tr>
<td>Team C</td>
<td>11-15</td>
<td>0-1</td>
<td>11-14</td>
<td>.4400</td>
</tr>
<tr>
<td>Team D</td>
<td>7-20</td>
<td>0-1</td>
<td>7-19</td>
<td>.2692</td>
</tr>
<tr>
<td>Team E</td>
<td>13-13</td>
<td>0-1</td>
<td>13-12</td>
<td>.5200</td>
</tr>
<tr>
<td>Team F</td>
<td>23-6</td>
<td>1-0</td>
<td>22-6</td>
<td>.7857</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td></td>
<td></td>
<td><strong>74-56 (.5692)</strong></td>
<td><strong>.5585 (OWP)</strong></td>
</tr>
</tbody>
</table>

Team A’s Opponents’ Average Winning Percentage = .5585

**Opponents’ Opponents’ Average Winning Percentage (OOWP).** The strength of each opponents’ schedule is measured by computing the opponents’ winning percentage for each opponent, then averaging the percentages. This recognizes the fact that two opponents with similar won-lost records may have played far different schedules (in terms of strength of opponents).

To calculate: Take Team B, C, D, E and F schedules and perform the same calculation as above (OWP). It is important to note that the OOWP will support the OWP (i.e., if Teams A and B have the same OWP of .5692; Team A has a OOWP of .6125 and Team B has a OOWP of .4567; it would indicate team A has the stronger strength of schedule).
