

PRELIMINARY AMATEURISM REVIEWS

In alignment with the [Eligibility Center's Certification Error Policy](#), one of the following will be visible in the prospective student-athlete's account once a preliminary amateurism review has been completed:

Most Common Statuses

Preliminary Reviewed: Thank you for submitting your sports participation information, which should be updated as necessary before requesting final amateurism certification. Once you have requested final amateurism certification, the Eligibility Center will either complete your review or request additional information.

Pending Review: Your status requires further review by the amateurism staff.

Pay Attention To

To assist in tracking PSAs with potential issues, compliance administrators will be **automatically enrolled in the Track PSA** feature when a PSA on their IRL has one of the following:

Preliminary Reviewed: A preliminary review of your amateurism status has been conducted as of [PREVIOUS TASK ASSIGNMENT DATE]. Your amateurism status review is ongoing and you are required to update your Eligibility Center Certification account with any future additional sports participation or information not initially entered into your account prior to requesting final amateurism certification.

Note: Based on the current assessment by the Eligibility Center of your transition from high school to college/university, continued sport participation could impact your future NCAA eligibility. Please contact the compliance office at the NCAA school you plan to attend.
