RECRUITING SERVICE, SCHOLARSHIP AGENT OR SCOUTING SERVICE

A recruiting service, scholarship agent or scouting service may share your personal information and statistics with NCAA schools; however, it may *not* do the following:

- » Guarantee an NCAA scholarship;
- » Charge a fee based on receiving an NCAA scholarship; or
- » Base its fee on the amount or percentage of an NCAA scholarship.

Certifying Recruiting Service Legislation Compliance

The Eligibility Center requires the following to certify compliance of recruiting service legislation:

- » The name and contact information of the company you used;
- » Copies of all documents you or your family signed with the company;
- » A description of the services provided; and
- » A detailed explanation of payment arrangements for the services.

Note: NCAA rules may be different based on division, sport and/or timing (pre- or postenrollment). If you have questions regarding your amateur status or NCAA legislation, contact the athletics compliance office at the NCAA institution recruiting you or the NCAA's public and legislative line at 877-262-1492.
