FROM THE NCAA ELIGIBILITY CENTER

**8.17.2020:**

## **NCAA EC COVID-19 Response, Academic Year 2020-21: Automatic Waiver—2021-22 Enrollment**

Given the continuing impact of COVID-19 on the educational environment, the NCAA Eligibility Center has partnered with the NCAA membership to identify the following changes to the initial-eligibility certification process for students who initially enroll full time in a collegiate institution during the 2021-22 academic year. [Click here](#) to learn more about the adjusted requirements. The Eligibility Center will continue to monitor the environment and make necessary adjustments to prioritize health, safety and fairness for all prospective student-athletes.

## **NCAA EC COVID-19 Response: Organized Competition in the 2020-21 Academic Year**

NCAA Divisions I and II have approved flexibility for college-bound student-athletes who delay initial full-time collegiate enrollment and would be impacted by [organized competition](#) occurring in the 2020-21 academic year. During the amateurism certification process, the Eligibility Center will apply such flexibility, which will be visible in the student-athlete's Eligibility Center account. **4.10.2020:**

## **NCAA EC COVID-19 Response Update**

The NCAA Eligibility Center has received a number of inquiries regarding potential adjustments to the initial-eligibility certification process as a result of closures, cancellations and changes due to COVID-19. We are working closely with our member institutions and making progress toward national solutions to the issues raised for both Divisions I and II. We look forward to communicating the details of these adjustments in the coming weeks upon complete review through our governance processes. For information on COVID-19, please visit [ncaa.org/COVID-19](http://ncaa.org/COVID-19) and continue to monitor for more information from the Eligibility Center at [on.ncaa.com/EC\\_COVID](http://on.ncaa.com/EC_COVID).

**4.3.2020:**

## **Distance/E-Learning Programs**

In response to questions regarding schools that have moved to distance or e-learning environments, the Eligibility Center will not require a separate review of distance or e-learning programs utilized by schools with NCAA-approved core courses that have moved to distance or e-learning environments for Spring/Summer 2020 terms due to school closures related to the COVID-19 situation. Students are encouraged to complete their NCAA-approved core courses through the channels of instruction provided or recommended by their school, district or state department of education.
