

How to Verify Enrollment

SIX SIMPLE STEPS TO VERIFY ENROLLMENT FOR NCAA DIVISION I OR II

LOG IN TO YOUR ELIGIBILITY CENTER ACCOUNT

After logging in to your account at eligibilitycenter.org, select your account information icon (located at the top-right of your screen).

CLICK ON ACCOUNT SETTINGS

Once in Account Settings, scroll down and click Continue. Scroll down in the Basic Information section to "Student's high school graduation date."

PROVIDE YOUR HIGH SCHOOL/SECONDARY SCHOOL GRADUATION DATE

When will or did you graduate high school? Enter the month and year, or update the information shown to reflect when you graduated/plan to graduate high school/secondary school.

PROVIDE YOUR NCAA DI OR DII COLLEGE/UNIVERSITY ENROLLMENT DATE

*When will or did you first enroll full-time at an **NCAA Division I or II school**?* In the "Student's college enrollment date" section, enter the term and year, or update the information shown to reflect the term and year of your first full-time enrollment at any **NCAA Division I or II school**. Scroll down and click Continue to save your changes.

CLICK ON SCHOOL QUESTIONS OR SCHOOL (MOBILE VERSION)

Review and answer the questions shown. Depending on the dates entered in steps 3 and 4, you may see the question "**Have you previously attended any junior college, NAIA college or university, NCAA Division III college or university, and/or any university inside or outside of the United States as a full-time student?**"

If you **enrolled full time** at any two- or four-year college or university prior to enrolling at the NCAA Division I or II school indicated in step 4, select "Yes." (If not, select "No" then click Continue and go to step 6.) List the dates you attended full time and the name of the college or university you attended during that period. Be sure to add all colleges and universities you have attended. Scroll down and click Continue to save your changes.

CLOSE YOUR TASK

If you received a task asking you to verify enrollment, return to your Dashboard (located at the top left of your screen on desktop version). Scroll down to your Tasklist and close the Verify Enrollment task.

That's it! If your high school graduation date or date of full-time enrollment in an NCAA Division I or II school changes, or you need to add another college or university you have attended, simply repeat these steps. Incorrect information can prevent you from being eligible to play and/or practice when you reach campus, so be sure to keep your education history updated.
