

## TASK RESOURCE WEBPAGE

*Ever read a task assigned to a student and are still unclear on what is needed?*

International transcripts occasionally require additional clarification to accurately complete an academic certification. Given that only so much context can be provided in the task itself, [this link](#) provides more in-depth explanations for tasks commonly assigned to Eligibility Center accounts. If a student receives one of the tasks listed on the resource page, a hyperlink in the student's task directs them to the additional information online.

As we continue to expand the number of tasks covered on this resource webpage, we suggest you bookmark [this link](#) for future reference.

The screenshot shows the top navigation bar of the NCAA Eligibility Center website. It includes the NCAA logo, a search icon, and a menu icon. The main navigation menu lists: NCAA, STUDENT-ATHLETES, DIVISION I, DIVISION II, and DIVISION III. Below the navigation bar, the page title is "STUDENT-ATHLETES". The main heading is "NCAA Eligibility Center Tasks". The text explains that the page provides information to help students understand tasks assigned to their accounts. It lists five common tasks with hyperlinks: "We need more information about your enrollment timeline", "We need more information about the grading scale on your transcript", "Transcript format clarification needed", "Grade clarification needed", and "Academic documents needed for purposes of amateurism review". A reminder states that clarification should come from a high school administrator. A note for international students points to the "NCAA Guide to International Academic Standards for Athletics Eligibility".
