

Multiple High Schools

If a student attended more than one high school, or took courses from more than one program, the Eligibility Center needs an official transcript from each high school or program. We cannot accept grades from one high school/program transcribed on another high school's transcript.

If your school is part of a district that has a common transcript, a student who has attended multiple schools within such a district would not need to have multiple transcripts sent. To determine if your school is set up with this common transcript provision, please call the Eligibility Center's toll free high school line at 877/622-2321.
