MEMORANDUM

February 22, 2011

TO: Head Football Coaches and Conference Commissioners.

FROM: Rogers Redding, secretary-rules editor
NCAA Football Rules Committee.

SUBJECT: Football Rules Change Comment Period.

The Football Rules Committee has proposed the attached rules changes during its annual meeting February 7-10.

Before these rules changes are implemented into the rules book, they must be approved by the Playing Rules Oversight Panel (PROP). PROP will review these rules proposals on an upcoming conference call. PROP evaluates the new rules in terms of negative impact on the image and integrity of the game, safety concerns or financial impact on institutions.

You have the opportunity to give your feedback to PROP about any of the attached rules changes before final approval is granted.

To share your opinion with the NCAA, please go to the following link:
