How to use the Official NCAA Basketball Scorebook

(Refer also to the Official Scoring Rules and sample Scoring Sheet)

The Official NCAA Basketball Scorebook is published and distributed by the NCAA to provide coaches and officials with a uniform, official scorebook. Its use as the only official scoring form, especially for all collegiate games, will standardize basketball scoring and assure a proper and complete record of all games played, whether home or away.

The form includes all statistical columns along with the running score for which the official scorer is responsible, as stated in the official NCAA Men's and Women's Basketball Rules and Interpretations. Actual player statistics that are commonly recorded—such as field-goal attempts, rebounds and assists—should be handled by a separate individual or statistical crew and not by the official scorer.

GENERAL INFORMATION: The top boxes across both scoring pages give general information about the game being scored, including the teams involved and their coaches, the date, site and attendance, and the names of the officials involved in the contest.

SCORING BY PERIODS: In the boxes provided, record the number of points actually scored in each period of play. Only the final score should be cumulative, as the running score gives cumulative totals at the end of each period. A suggested method for scoring is to use a different ink color for each half and each overtime period.

NUMBER AND PLAYER COLUMNS: Before the start of the game, the last name and number of each squad member dressed for and eligible to play in the game should be recorded in the appropriate spaces. It is recommended in the official NCAA rules book that the squad members' names be entered in the scorebook in numerical order. Space is provided at the top of the roster for an official from each team (preferably a coach) to initial the approval of the roster before the game begins.

FOULS: Each time a personal foul or direct technical foul is charged to a player, make a slash through the next available number (1, 2, etc.) to keep a correct total of the number of fouls charged to each player. Some scorers differentiate second-half fouls from first-half fouls by making the slash in the opposite direction during the second half and extra periods. You may want to indicate a technical foul with a "T" or an intentional foul with an "I." Indicate technical fouls in the space labeled "Technicals & Notes," noting whether they are direct or indirect.

FIELD GOALS: After each successful field goal by a player, mark a "2" or "3" in the field-goal column beside the name. Mark a "3" only if the shot is successful from beyond the three-point field goal line and is indicated as such by an official. Second-half and overtime goals should be recorded in the spaces provided and not continued in the first-half column.

FREE THROWS: Record each free throw attempted and made in the proper half or overtime space. Free-throw attempts should be recorded with a O before the free throw is attempted. If the free throw is successful, put an X inside the O. Indicate two-shot fouls by recording and three-shot fouls by QQO. Indicate bonus-situation fouls by before the shot is attempted, and by if the first shot is successful, and by if both shots are successful. If the second shot is unsuccessful, leave the marking as QO.

OFFICIAL SUMMARY COLUMNS: At the end of the game, the figures recorded

for each player should be totaled and placed in the proper column in the official summary area. Totals should be recorded for total field goals made, three-point field goals made, free throws made, free throws attempted, personal fouls and total points. Both two- and three-point field goal totals should be included in the total number of field goals made.

TOTALS LINE BENEATH SCORING AREA: Vertically total the field goals, three-point field goals and free throws for each half and enter on the totals line to check figures above with running score below.

TEAM FOULS: Mark off each personal, unsporting technical or contact technical foul charged to each team to determine bonus free-throw situations. Indicate the time of the foul or the players' jersey number who committed the foul in the space provided. After the sixth foul has been recorded in a half (in a college basketball game), each succeeding common foul (except a player-control or team-control foul) in that half will receive a bonus free throw. Starting with the 10th team foul, each common foul (except a player-control or team-control foul) in that half shall result in two free throws (except for a three-shot foul).

TIMEOUTS: Mark each timeout charged to a team, and use the space below to indicate the time at which it was taken (from the game clock) to help substantiate the number recorded. Some scorers also record in this space the number of the player who called the timeout. Use the extra blank spaces to record timeouts in overtime games. Use the space provided on the lower-right side of the right hand pages to record each timeout called specifically for or used by broadcast media. Keep in mind that the number of team timeouts allowed depends on whether the game involves commercial electronic media. For more description, see the timeout chart at the end of the rules section.

TECHNICALS AND NOTES: This is the official scorer's "free" space and may be used for the recording of any pertinent data relative to the game being played for which space is not otherwise provided. An example of this type of information is a foul charged to a coach, other bench personnel, a follower, a player ejected for fighting, or an injured player.

RUNNING SCORE: The running score is among the most important tasks of the official scorer, because it represents the actual game score as the game progresses and is the official score of the game at any point in time. Mark out the correct numbered squares as each point is scored. The optional spaces below may be used to indicate the number of the player scoring and the approximate time remaining in the half when the points were scored.

ALTERNATE POSSESSION: This space is used to keep track of team possession when a "held ball" situation occurs. Actual center jumps are used only to start the contest and to start each overtime period. The alternate-possession rule is used at every other occasion, making it important for scorers to record each change of possession in the space provided. Note: Space is provided to indicate the time at which a change of possession occurs.

The NCAA publishes a complete manual for the basketball statistician, the Basketball Statisticians' Manual, which can be found online at www.NCAA.org.

Official Scoring and Timeout Rules

(Reprinted from the NCAA Men's Basketball Rules and Interpretations)

Section 9. Duties of Scorers

The scorers shall:

- **Art. 1.** Record the names and uniform numbers of squad members who may participate, starting five players, and the names of all substitutes who enter the game. It is recommended that team members' names be recorded in the scorebook in numerical order.
- **Art. 2.** Record the field goals made and the free throws made and missed, and keep a running summary of the points scored.
- **Art. 3.** Record the personal and technical fouls assessed to each player and the technical fouls assessed to a coach, team member, bench personnel or follower.
- Art. 4. Notify an official immediately when a player has committed his fifth foul.
- **Art. 5.** Notify an official immediately when a second CLASS A technical (AA) foul is charged to a coach, team member or any bench personnel.
- **Art. 6.** Notify an official immediately when a combination of one CLASS A technical foul and two CLASS B technical fouls (ABB) or three CLASS B technical fouls (BBB) have been assessed.
- **Art. 7.** Record in the scorebook any ejection for fighting, warnings for delay per Rule 4-10.1.d-g and any resumption of play warning per Rule 4-31.2.
- **Art. 8.** Record the timeouts charged to each team and notify an official when a team takes its final allowable charged timeout.
- **Art. 9.** Signal the nearest official each time a team is granted a charged timeout in excess of the allowable number.
- **Art. 10.** Signal the nearest official in each half when a player commits a common foul (except a player-control or team-control foul), beginning with the team's seventh foul and the team's 10th foul, including any combination of personal fouls and CLASS A technical fouls
- **Art. 11.** The official scorebook shall remain at the scorers' table throughout the game, including all intermissions.
- **Art. 12.** Compare their records after each goal, each foul and each charged timeout, notifying the referee at once of any discrepancy. When no error can be found, the referee shall accept the record of the official scorebook, unless the referee has knowledge that permits another decision. When the discrepancy is in the score and the error is not resolved, the referee shall accept the progressive team totals of the official scorebook.

- **Art. 13.** Notify the nearest official when there is an infraction of the rules pertaining to submission of the roster, substitutions or uniform numbers of players.
- **Art. 14.** When necessary, signal the officials with a sounding device unlike that used by the referee and umpire(s). This sounding device may be used immediately when the ball is dead or is in control of the offending team.
- **Art. 15.** When a correctable error is called to the official scorer's attention while the game clock is running, the timers shall not use the game-clock horn until the ball has become dead.
- **Art. 16.** Correct a scoring or bookkeeping mistake any time before the referee approves the final score.

Note: It is recommended that only the person at the scorers' table permitted to wear a black-and-white-striped garment be the official scorer.

Art. 17. Record the time on the game clock when the official signals that an instant replay review for a correctable error is required under Rule 11-2.1.b.1.

Section 14. Timeouts Granted and Charged

- **Art. 1.** A timeout shall be granted and charged after a visual or oral request by a player in .a through .c or by a head coach in c. or the conditions in .d and .e exist:
 - a. When a player of that team is in control of the ball (this includes throw-ins and free throws) (Exception: Rule 5-15.1.c.).
 - b. When the ball is at the disposal of a player of the team entitled to the ball; or
 - c. When the ball is dead.
 - d. When the appeal for a correctable error or timing, scoring or alternating-possession mistake is reviewed and the official's ruling is not reversed.
 - e. When the appeal to review the monitor for a flagrant 2 contact foul, flagrant 1 contact foul, or contact dead ball technical foul does not result in a flagrant contact foul or contact dead ball technical foul being charged.

When the rulings in 5-14.1.d and e are not reversed or the time limit for correcting an error, a timing mistake, an alternating-possession mistake or the charging of a flagrant/technical foul has expired, a 75-second timeout or a 30-second timeout when a 75-second timeout is not available shall be

charged to the offending team in a game not involving the electronic-media timeout format and either a 30-second or 60-second timeout charged to the offending team in a game involving the electronic-media timeout format. When this timeout is granted at the first dead ball after one of the specified time marks on the game clock for electronic-media timeouts or the first timeout of the second half, that timeout shall become an electronic-media timeout.

- **Art. 2.** During any timeout, bench personnel and players shall locate themselves inside an imaginary rectangle formed by the boundaries of the sideline (including the bench), end line, and an imaginary line extended from the freethrow lane line nearest the bench area meeting an imaginary line extended from the coaching-box line.
- **Art. 3.** During a 30-second timeout, players shall stand inside the boundary lines.
- Art. 4. A single charged timeout shall not exceed:
 - a. 75 seconds for a full timeout in games not involving the electronicmedia timeout format.
 - 60 seconds for a 60-second timeout in a game involving electronicmedia timeout format.
 - c. 30 seconds for a 30-second timeout.
- **Art. 5.** A warning horn to alert teams to prepare to resume play shall be sounded 15 seconds before the expiration of any charged or electronic-media timeout.
- **Art. 6.** A second game-clock horn shall be sounded at the end of any charged or electronic-media timeout and play shall resume immediately. (Exception: Rule 4-31.2).
- **Art. 7.** A timeout shall be charged to a team for either length under Rules 5-11.3 and 5-11.4, regardless of the amount of time consumed.
- Art. 8. In games NOT involving the electronic-media timeout format the timeout format shall be:
 - a. Four 75-second timeouts and two 30-second timeouts for each team per regulation game.
 - b. The four 75-second timeouts may be used at any time.
 - c. The two 30-second timeouts may be used at any time.
 - d. When there is an extra period(s), each team shall be entitled to one extra 75-second timeout per extra period in addition to any timeouts it has not used previously.
 - e. The extra timeout shall not be granted until after the ball becomes live to begin the extra period(s).
- **Art. 9.** When the electronic-media agreement calls for FEWER THAN THREE electronic-media timeouts in one half, the format shall be as follows:
 - a. Four 75-second timeouts and two 30-second timeouts for each

- team per regulation game.
- b. The four 75-second timeouts can be used at any time.
- c. The two 30-second timeouts can be used at any time.
- d. These electronic-media timeouts shall occur at the first dead ball after the minute marks specified by the electronic-media agreement.
- e. When either of the teams uses a 75-second timeout in either the first or second half, that timeout shall replace the next agreed-upon electronic-media timeout for that half. The timeout shall be 75 seconds or the length called for by the electronic-media agreement.
- The first timeout requested by either team in the second half shall become the electronic-media timeout and shall be 75 seconds long or the length called for by the electronic-media agreement.
- f. When there is an extra period(s), each team is entitled to one extra 75-second timeout per extra period in addition to any timeouts it has not used previously.
- g. The extra timeout shall not be granted until after the ball becomes live to begin the extra period.
- **Art. 10.** When the electronic-media agreement calls for AT LEAST THREE electronic-media timeouts in either half, the format shall be as follows:
 - a. Three 30-second timeouts for each team per regulation game.
 - Each team may carry up to two 30-second timeouts into the second half.
 - b. One 60-second timeout for each team per regulation game that may be used any time during the game.
 - c. Depending on the electronic-media agreement, these electronic-media timeouts shall occur at the first dead ball after the 15-, 10- and 5-minute marks or the 16-, 12-, 8- and 4-minute marks when the game clock is stopped.
 - d. The first timeout requested by either team in the second half shall become the length of a timeout called for by the electronic-media agreement:
 - 1. In any extra period the first timeout granted to either team may become an electronic-media timeout.
 - e. When a timeout is granted and creates a dead ball with 30 seconds or less before the media marks or creates the first dead ball after one of the 15-, 10-, and 5- minute marks or the 16-, 12-, 8- and 4-minute marks, that timeout will become the electronic-media timeout for that specified media mark time. (Exception: Rule 5-14.10.d.)
 - f. Each team shall be entitled to one additional 30-second timeout during each extra period in addition to any timeouts it has not used previously.

g. The extra timeout shall not be granted until after the ball becomes live to begin the extra period.

Note: For NCAA Division I tournament games, the men's Division I basketball committee may make the first team-called timeout in both halves an electronic-media timeout.

Art. 11. In games involving the electronic-media timeout format, when a foul (personal or technical) is committed that causes the ball to become dead at one of the specified time marks on the game clock for electronic-media timeouts, that electronic-media timeout shall be taken and then the free throw(s) shall be administered after the timeout.

Art. 12. Injury:

- a. A timeout may be requested by and granted to a team when that team has an injured player, a player who is bleeding or has a uniform that is saturated with blood and that player desires to remain in the game. When the condition is remedied within a granted timeout, the player is permitted to remain in the game.
- b. When a timeout is charged for an injury, a bleeding player or a player's uniform that is saturated with blood, and that timeout:
- Is granted at the first dead ball at one of the specified time marks on the game clock for electronic-media timeouts, that timeout shall become an electronic-media timeout.
- 2. Is the first 30-second timeout granted during the second half of the game, that timeout shall become an electronic-media timeout.
- c. Either one 75-second or 30-second timeout, in games not involving electronic media, or either one 30-second timeout or 60-second timeout, in games involving electronic media, shall be charged in Rule 5-11.2.b, regardless of the amount of time consumed when an injured player remains in the game.

Art. 13. Successive charged timeouts:

- a. May be requested by a player or a coach from the same team.
- b. Shall not be granted after the expiration of playing time for the second half or after the expiration of any extra period.
- c. When granted, players are permitted to sit on their bench only when the request for successive 30-second timeouts has been made in advance of the first timeout.
- d. When granted, a warning horn shall be sounded 15 seconds before the expiration of the final timeout.

Art. 14. Shortened timeouts:

- a. The team that requests a timeout may shorten that timeout when the captain/head coach notifies the official of the team's intent. (Exception: The first team-called timeout of the second half or extra period in a game involving electronic-media timeout format as in Rule 5-14.10.d).
- b. When a request is made to shorten any timeout for a substitution(s),

- the signal for shortening a timeout shall be given and play shall be resumed immediately.
- c. In games involving the electronic-media timeout format, when a timeout has been recognized to be shortened for the sole purpose of making substitutions and the timeout causes the first dead ball after one of the specified time marks for electronic-media timeouts (15-, 10- and 5- or 16-, 12-, 8- and 4-minute marks), that timeout shall become an electronic-media timeout.
- d. When a request has been made to shorten any timeout for a purpose other than for substitution(s), a warning horn shall be sounded immediately and 15 seconds later another signal shall be sounded to resume play.
- **Art. 15.** In games not involving the electronic-media timeout format, one 75-second timeout or one 30-second timeout, when the 75-second timeouts have been used, and in games involving the electronic-media timeout format either one 30-second or 60-second timeout shall be charged to the team making the appeal in Rule 5-11.5, when no correction is made or when the time limit for correcting an error under Rule 2-12 has expired.
- **Art. 16.** Cheerleaders and mascots are permitted on the playing court only during a full timeout, an electronic-media timeout or an intermission.
- **Art. 17.** Bands/amplified music are permitted to play or be played only during any timeout or intermission.

MEN'S TIMEOUT COMPARISON CHART

Type of Game	Team Time- outs 1st Half	Team Time- outs 2nd Half	Team Timeouts Extra Periods	Electronic Media Timeouts 1st Half	Electronic Media Timeouts 2nd Half	Media Timeouts Extra Periods
NO electronic- media time- out format	Four 75- second and two 30-sec- ond timeouts per team per regula- tion game. All carry over to second half if not used in first half.	Any not used in first half.	Any not used in regulation or any prior extra period(s) plus one 75-second timeout per team for each extra period.	None	None	None
Electronic-media time- out format with FEWER THAN three electronic- media time- outs in at least one half.	Same as above.	Same as above.	Same as above.	Either none, one or two depending on the media agreement. Length determined by media agreement. Each shall occur at the first dead ball after the minute mark specified in the media agreement. When either team uses a 75-second timeout in the half, that timeout replaces the next agreed-upon media timeout of the half.	Either none, one or two depending on the media agreement. Length determined by media agreement. Each shall occur at the first dead ball after the minute mark specified in the media agreement. When either team uses a 75-second timeout in the half, that timeout replaces the next agreed-upon media timeout of the half. First team called timeout of second half becomes the media timeout.	None

Type of Game	Team Time- outs 1st Half	Team Time- outs 2nd Half	Team Timeouts Extra Periods	Electronic Media Timeouts 1st Half	Electronic Media Timeouts 2nd Half	Media Timeouts Extra Periods
Electronic-media time-out format with AT LEAST three electronic-media time-outs in either half.	Three 30-sec- ond timeouts and one 60-second timeout per team.	Each team carries over any unused timeouts from the first half but cannot carry more than two 30-second timeouts each. The third is lost if it was not used in the first half.	Any not used in regulation, second half or any previous extra period(s) plus one extra 30-second timeout per team per extra period.	When using THREE electronic-media timeouts, they occur after the 15-, 10- and 5-minute marks, depending on the media agreement or within 30 seconds of the media minute mark and until the first dead ball after the media minute mark. When using FOUR electronic-media timeouts, they occur after the 16-, 12-, 8- and 4-minute marks or within 30 seconds of the media minute mark and until the first dead ball after the media minute mark. Neither team's 60-second timeout can be extended by media agreement.	When using THREE electronic-media timeouts - they occur after the 15-, 10- and 5-minute marks, depending on the media agreement or within 30 seconds of the media minute mark and until the first dead ball after the media minute mark. When using FOUR electronic-media timeouts, they occur after the 16-, 12-, 8- and 4-minute marks or within 30 seconds of the media minute mark and until the first dead ball after the media minute mark. The first timeout called by either team in this half only shall become a media timeout and shall not replace the first media timeout. It shall be 75 seconds or the length determined by media agreement. Neither team's 60-second timeout can be extended by media agreement.	The first team-called timeout in each period may become a media timeout, if that is part of the media agreement.
