Official NCAA Division I baseball records began with the 1957 season and are based on information submitted to the NCAA statistics service by institutions participating in the statistics rankings. Career records of players include only those years in which they competed in Division I. Annual team champions in home runs, triples, doubles, stolen bases, slugging percentage and double plays were added in 1972. Annual individual champions in saves were added in 1980; runs, bases on balls and toughest to strike out were added in 1981. Individual hit by pitch and sacrifice hits were added in 2004. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exists. In these cases, the numerical order of the rankings is accurate.
