#### **TOTAL TEAM CHAMPIONSHIPS**

(Note: Each school involved in a tie is credited with one championship. The boxing championships began in 1932 and were discontinued after the 1960 championships. The following schools are credited with unofficial team championships in the following sports: Boxing—Wisconsin 4, Idaho 2, Catholic, Penn St., Syracuse, Virginia, Washington St., West Virginia, one each. Outdoor Track and Field—Illinois, Southern California, Stanford, one each. Wrestling—Oklahoma St. 3, Iowa St., Indiana, one each. All other figures denote official team championships. Women's fencing was contested from 1982 through 1989; a coed championship has been held since 1990. Coed championships [fencing, rifle, skiing] are recorded in the mixed section because mixed teams of men and women competitors are designated as men's teams in NCAA legislation.)

#### **TOTAL INDIVIDUAL CHAMPIONSHIPS**

(Note: Each school is credited with one championship for each competitor involved in a tie. The boxing championships began in 1932 and were discontinued after the 1960 championships. The individual championships totals for fencing, rifle and skiing include some championships won by women. In tennis, two championships are awarded each year: one to the school whose competitor wins the singles championship and one to the school whose team wins the doubles championship. In swimming, track and skiing, relay victories count as one championship.)
