LISTINGS OF MOST CONSECUTIVE TITLES FOR MEN’S AND WOMEN’S CHAMPIONSHIPS
This is the first of three annual publications recording the history of NCAA Championships. The winter and spring books follow in the months ahead.

Men’s and women’s summaries in all three publications are current through the spring 2001 championships. Updated summary information can be found following each championship season via the NCAA Online Web site at www.ncaa.org. To access those summaries, select "News & Publications," "NCAA Publications," "View Online," and "Records," then select the championships records book and summary of your choice.

NCAA, NCAA logo and National Collegiate Athletic Association are registered marks of the Association and use in any manner is prohibited unless prior approval is obtained from the Association.
