Typesetting/Design By:

Brandon Allen, *Production Designer*.

Cover Design By:

Wayne Davis, *Graphics Manager*.

This is the first of three annual publications recording the history of NCAA Championships. The winter book will be released in October, the spring book in December.

Men's and women's summaries in all three publications are current through the spring 2002 championships. Updated summary information can be found after each championship season via the NCAA Online Web site at www.ncaa.org. To access those summaries, select "News & Publications," "NCAA Publications," "View Online," and "Records," then select the championships records book and summary of your choice.

NCAA, NCAA logo and National Collegiate Athletic Association are registered marks of the Association and use in any manner is prohibited unless prior approval is obtained from the Association.
