# FINAL FOUR GAME RECORDS

*Statistics for the Division I Men's Basketball tournament have been collected since 1939, the first year of the tournament. Individual rebounds were added in 1951, although team rebounds were not added until 1955. Assists were added in 1984. Blocked shots and steals were added in 1986. Scoring, rebounding, assists, blocked shots and steals are ranked on total number and per-game average; shooting, on percentage. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exists. In these cases, the numerical order of the rankings is accurate. In 1973, freshmen became eligible to compete on the varsity level.*

*A national championship game is indicated by (CH), a national semifinal game by (NSF), a national third-place game by (N3d) and a team's appearance later vacated by the NCAA/Committee on Infractions (\*).*
