DIVISION III MEN'S

Highlights

North Central (Illinois) holds on for title; 1,600-meter relay clinches championship: Officially, the difference between first and second place in the team standings at the 2011 NCAA Division III Men's Outdoor Track and Field Championships was two points, but in reality, it was a mere two-tenths of a second that determined the order on the awards stand May 28.

The performance by North Central's 1,600-meter relay team in the final event of the meet proved to be the difference, as the Cardinals fought off Wisconsin-La Crosse to claim their second straight outdoor national title. North Central totaled 58 points, while La Crosse was an extremely close runner-up with 56.

North Central has now swept the Division III Indoor and Outdoor Championships two straight years.

North Central headed into the final day's action first in the team standings with 32 points, and got 10 more when Daniel Benton won the 400-meter dash final, pulling away down the home stretch to win in 46.84 seconds

"I knew I was going to have to run faster than I ever have," said Benton, who had been the national runner-up twice indoors. "I just knew I had to do it for the team. The way (head coach Frank Gramarosso) trains us is to run our own race and not worry about times or other runners, and obviously it worked out."

With Wisconsin-La Crosse holding a 51-42 advantage with two events remaining, North Central's Michael Spain added to his 10,000-meter title by pulling away from a pack of six runners on the last turn of the 5,000-meter race to win a second individual championship, with a time of 14:41.15

"What a great way to go out," Spain said. "Whether I won or not, I'm glad I can leave here knowing I put everything I had on the table. I had no idea what to expect. It was slow, I took the lead and tried to break them and they wouldn't break. My teammates started making noise, and I remembered I was running for them too. That's what took me home."

With North Central holding the lead over Wisconsin-La Crosse by the slimmest of margins at 52-51, the 1,600-meter relay would determine the championship. Benton brought North Central to the line in third place, just behind first-place finisher Ramapo and runner-up McMurry. However, the squad's time of 3:11.64 nipped the time of Wisconsin-La Crosse's squad, which was clocked in 3:11.84.

The win capped off a banner year for Gramarosso, whose teams claimed indoor and outdoor conference and national titles in his first year as the program's head coach.

"I'm kind of at a loss for words," Gramarosso said. "We just kind of chipped away as a team all weekend. Track is an individual sport, but I think we've developed teams within our team that really feed off each other. It was great to have the number of qualifiers that we had, and it takes that many people because there are always going to be disappointments and surprises.

"La Crosse is a great team, but we have a great team as well. Fortunately, we were able to stay ahead and get the win."

North Central has now won nine national championships in track and field (six outdoor, three indoor) and 27 team national titles overall.
