All-Time Division I Conference Attendance

(#Attendance consists of home game figures from member institutions, including doubleheaders with men beginning in 1996-97 season, and neutral-site conference tournament figures since 2000-01. The previous year's figures used for comparison reflect the following year's changes in divisional lineups to provide parallel comparisons, except for the 2000-01 season, when conference tournament neutral-site attendance was included in the conference totals for the first time.)

AMERICA EAST CONFERENCE

(Before 1990, members were in Seaboard Conference. Before 1997, members were in North Atlantic Conference.)
