INDIVIDUAL COLLEGIATE RECORDS

Official NCAA women's basketball records began with the 1981-82 season and are based on information submitted to the NCAA statistics service by institutions participating in the weekly statistics rankings. Official career records include only those seasons played during the era of official NCAA statistics, which began with the 1981-82 season. Three-point field goals were added in 1987-88 for all divisions. Assists were added in 1985-86 for Division I and 1988-89 for Divisions II and III. Blocked shots and steals were added in 1987-88 for Division I and 1992-93 for Divisions II and III. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exists. In these cases, the numerical order of the rankings is accurate.

TEAM COLLEGIATE RECORDS

Official NCAA women's basketball records began with the 1981-82 season and are based on information submitted to the NCAA statistics service by institutions participating in the weekly statistics rankings. Official career records include only those seasons played during the era of official NCAA statistics, which began with the 1981-82 season. Three-point field goals were added in 1987-88 for all divisions. Assists were added in 1985-86 for Division I and 1988-89 for Divisions II and III. Blocked shots and steals were added in 1987-88 for Division I and 1992-93 for Divisions II and III. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exists. In these cases, the numerical order of the rankings is accurate.
