# INDIVIDUAL RECORDS

The following women played all or most of their collegiate careers before the era of official NCAA women's basketball statistics, which began in 1981-82. Before becoming members of the NCAA in 1981-82, most women's programs were under the auspices of the Association of Intercollegiate Athletics for Women (AIAW).

The NCAA would like to thank the University of Maryland libraries for their assistance in sharing the AIAW Archive information:

"AIAW Archives, Special Collections, University of Maryland Libraries."
